Important Transit Information. Transit passengers should be on the lookout in late December for impacts to their regular bus routes due to service reductions in the city of Phoenix. Some of these reductions include the following:

Elimination of bus trips before 5 a.m. and after 10 p.m. (except for Route 70- Glendale to Luke Air Force Base, which will continue its normal services)

Certain ½-hour service routes will change to hourly service (**Routes 43** - 43rd Avenue, **59** - 59th Avenue, **60** - Bethany Home Road, **67** - 67th Avenue, **80** - Northern, **90** - Dunlap/Cave Creek, **138** - Thunderbird Road and **186** – Union Hills.)

The changes will go into effect Monday, Dec. 29, 2008. Some riders may also experience weekday and additional weekend changes and are being encouraged to check out the new transit book that outlines the new bus schedules and changes. For more information about these changes, click here or call Valley Metro at (602) 253-5000.

Bulk Trash. The city provides bulk trash pickup service for large, bulky items that will not fit into your residential garbage container. This is the time to dispose of tree limbs and brush, as well as furniture and appliances generated from your property.

Crews are responsible for removal of large debris only. The equipment used often leaves behind small debris, which is the responsibility of the resident to clean up.

Please do not put out cardboard boxes or other recyclables for bulk trash pick up. Cardboard should be RECYCLED rather than put out for bulk trash.
