

Did You Know?

If you are a Disabled American Veteran and need transportation to and from the VA Hospital, the DAV of Arizona will pick you up from your residence and transport you to the VA Hospital at no cost.

Through the Transportation Network, DAV volunteers drive sick and disabled veterans to and from VA medical facilities for treatment. The Transportation Network is a clear example of veterans helping veterans. The DAV stepped in to meet a substantial community need when the federal government terminated its program that helped many veterans pay for transportation to VA medical facilities. The DAV has 189 Hospital Service Coordinators around the country who coordinate the transportation needs for disabled veterans.

For Further information please contact Kathy Duncan, Transportation Coordinator, in Phoenix, Arizona at: 602 277-5551 Ext. 7451
