**Glendale PD to Warn On License Frames for 30 Days.** The Glendale Police Department has elected to issue only warnings for the first 30 days regarding the new law about the proper display of license plates. They will also use the 30 days to educate the motoring public about the new law when drivers are stopped for other reasons.

As of January 1st, ARS 28-2354 was revised to include a provision that the word "Arizona" not be obscured on Arizona license plates. Many after-market license plate frames do, in fact, cover the word Arizona, and would cause the driver to receive a ticket.
