Fireworks Total Ban. During the public meeting on April 24, 2012, the City Council unanimously approved Ordinance No. 2801 (New Series) which prohibits the use of fireworks of any kind within the city of Glendale. This Ordinance also restricts the sale of consumer fireworks and outlines consequences for violation of the Ordinance. The Ordinance becomes effective in 30 days.

Sec. 26-70.3. Fireworks prohibited

(a) The use of fireworks of any kind within the city is prohibited.

Sec. 26-70.4. Sale of Fireworks

- (a) No person shall sell or permit or authorize the sale of permissible consumer fireworks to a person who is under sixteen years of age.
- (b) No person shall sell or permit or authorize the sale of permissible consumer fireworks in conflict with state law.
- (c) No person shall sell, possess, authorize or manufacture consumer or display fireworks unless authorized by state law or city permit.

Sec. 26-70.7. Penalties

The penalty for violating any prohibition or requirement imposed by this division is a class one misdemeanor with a minimum fine of \$275 unless another penalty is specifically provided for.

Sec. 26-70.8 Liability for emergency responses related to use of fireworks

(a) A person who uses, discharges or ignites fireworks is liable for the expenses of any emergency response that is required by such use, discharge or ignition. The fact that a person is convicted or found responsible for a violation(s) of this division is prima facie evidence of liability under this section.

Construction Agreement for Pavement Maintenance. Also at the public meeting held on April 24, 2012, the City Council approved the authorization for the City Manager to enter into a construction agreement with Southwest Slurry Seal, Inc., in an amount not to exceed \$2,000,000 for the repair and surface treatment of city-maintained roadways.

The city of Glendale has just over 102 miles of arterial roadways and 615 miles of collector and residential roadways. During 2011, an extensive evaluation of the condition of Glendale's streets was conducted, which included the use of equipment and technology that essentially "x-rayed" the streets so staff could see what was underneath the pavement. Based on the results of this evaluation, staff provided Council with a pavement management report recommending surface treatments on various city residential roadways.

Glendale intends to repair and apply surface treatments to various roadways in the city. The surface treatments would be applied to the 18 neighborhoods identified in the October, 2011 Glendale pavement management report, which are located across the city, and represent over 22 miles of roadways to be rehabilitated. A similar number of neighborhoods and miles are anticipated to be completed in FY 2012-13.

Citizen Police Academy. The Citizen Police Academy is a free program designed to offer residents and business owners a chance to learn, hands on, about many police operations, such as the use of canines, crime scene investigations, and tactical operations. The curriculum also includes: an overview of the police department's administration, police communications, and community oriented policing.

Participants must be at least 18 years of age and undergo a background check and fingerprinting process. All fingerprinting and applications must be completed and submitted no later than Friday, May 25, 2012 for the class beginning August 8, 2012. The academy is 12 weeks long and is held on Wednesday nights from 6:30 pm to 9:30 pm at the Glendale Regional Public Safety and Training Center. (There are two Saturday classes, and one Monday and Tuesday evening class that is a part of this program as well.)
