## Water Watchers Program.

Water Watchers provides students with the unique opportunity to meet environmental professionals and learn about what they can do to become more water wise. Glendale Water Conservation staff provide interactive "Discovery Stations," where students gain hands-on experience with 3-D models of groundwater and watershed systems, investigate desert plant adaptations and construct their own dams.

Teachers interested in learning more about Water Watchers or the new Watt Watchers program, can call (623) 930-3535 for more information.

**Boards and Commissions.** The Glendale City Council recently appointed several residents to serve on advisory boards and commissions. Congratulations and thanks to the following Barrel District residents who have volunteered to serve:

Donna Williams, Citizens Bicycle Advisory Committee; James Baribault, Citizens Transportation Oversight Commission; and Madelin Page, Community Development Advisory Committee.

These volunteer citizen advisory groups research, study and discuss specific Glendale projects and issues and then forward their recommendations to the City Council.

To request an application to serve on a city advisory group or for more information, [click here](#) or call the Council Office at (623) 930-2249.

**Christmas in July.** Stop by to see Santa and celebrate the joy of the season early on Saturday, July 17 from 10 a.m. to 4 p.m. and enjoy a fun-filled day of holiday crafts, sweet treats and exclusive deals in Historic Downtown Glendale.

Christmas cheer begins at the Glendale Visitor Center, where you'll pick up your holiday map, coupons and gift bag (for the first 500 visitors) and take a spin on the prize wheel.

Christmas music will play throughout the neighborhood as downtown businesses offer fun-filled holiday activities, including decorating a Cerreta's Chocolate Christmas tree, card-making at The Creative Quest, and gingerbread man cookies at Shelley's Specialty Desserts, all for a nominal fee.

In the spirit of holiday giving, the Glendale Visitor Center, 5800 W. Glenn Drive, Suite 140, will be accepting school supplies for the Annual Back to School Supply Drive, which will benefit local elementary schools. Items being collected include new backpacks, pencils, colored pencils, markers, erasers, paper, folders, binders, crayons and glue.

Admission and parking are free. For more information, contact the Glendale Convention and Visitors Bureau at (623) 930-4500 or [click here](#).

**Park Renovations.** The city of Glendale is making improvements to several of its popular parks and trails including Sahuaro Ranch Regional Park, Thunderbird Conservation Park and the Marshall Ranch Trail. These renovations will add to Glendale's growing list of amenities, focusing on lasting improvements for residents.

The Sahuaro Ranch Regional Park renovation includes improvements to the hub of the popular park, the athletic complex. Residents will soon enjoy two full size multi-use fields for soccer, football and/or lacrosse, adjacent to the ball fields. There will also be new shade structures added for spectators in the complex, improved ADA accessibility, new fencing and 'green' lighting installation.

Thunderbird Conservation Park's parking lots located at 55th Avenue and Pinnacle Peak Road and 67th Avenue and Patrick Lane will be paved. The new, environmentally-friendly surface will greatly enhance accessibility for park users and improve dust control.

Marshall Ranch Trail will also be improved, creating a consistent surface for pedestrians and bicyclists, and connecting the Thunderbird Paseo Linear Park to the historic Sun Circle Trail.

For more information, call (623) 930-2820.
