What does the 2010 Census mean to Glendale?

- More than half of the city's operating budget is determined by Census data!
- Ensures we are fairly represented at the state and federal level
- Provides funding for police and fire protection
- Funds our parks and libraries
- Funds our streets and roads
- Funds school lunch programs and senior centers
- The higher the response rate on the 2010 U.S. Census for the city of Glendale, the more revenue the city receives to provide essential city services.

You will receive your questionnaire in March 2010 either by U.S. mail or hand delivery.

2010 Census Questionnaire: Easy, Important and Safe. With only 10 questions, the 2010 Census questionnaire takes approximately 10 minutes to complete. Households are asked to provide key demographic information, including: whether a housing unit is rented or owned; the address of the residence; and the names, genders, ages and races of those living in the household. By law, the Census Bureau cannot share an individual's responses with anyone, including other federal agencies and law enforcement entities.
