Boards and Commissions News

Cactus Member Appreciation Dinner. Councilmember Lieberman hosted a dinner Wednesday evening to thank current Cactus District Board & Commission members for their service to the community. Guests enjoyed a presentation on historic preservation given by Deputy Planning Director, Ron Short. The event was held at the Rose Lane Recreation Center.

Boards & Commissions Recruitment Fair. Thanks to all who attended the Boards & Commissions Recruitment Fair last week. The event was a huge success with more than 100 attendees. If you didn't get a chance to attend, but would like to learn more about serving on a Glendale Board or Commission, it's never too late.

Glendale's 18 Boards and Commissions provide valuable feedback to the City Council in making important policy decisions that impact the community in many ways. These volunteer citizen advisory groups research, study and discuss issues, then forward their recommendations to the Council.

Summer Fun!

May is Motorcycle Safety Awareness Month. We all need to be more aware of motorcyclists when we drive cars in Glendale. More than two-thirds of car-motorcycle crashes are caused by drivers, not by motorcyclists. The driver either does not see the oncoming motorcyclists at all or does not see the motorcyclist in time to avoid a crash. Most motorcycle crashes occur during daylight hours.
