Glendale Approves Federal Funding Plans to Assist Residents. Glendale will receive approximately \$2.7 million in federal funding for assistance to Glendale residents through public service programs such as homeless prevention, domestic violence assistance and services for seniors and youth. In addition, these funds will also assist with many physical improvement projects and continue to provide funding that helps revitalize the downtown infrastructure and remove blighted, underperforming structures.

Glendale City Council approved the submission of the FY 2012-13 Community Development Block Grant (CDBG) recommendations and Annual Action Plan to the U.S. Department of Housing and Urban Development (HUD).

Glendale receives CDBG and Emergency Solutions Grants (ESG) funds from HUD, while HOME Investment Partnerships (HOME) funds are received from the Maricopa County HOME Consortium. The CDBG program is designed to assist low- and moderate-income individuals by revitalizing neighborhoods and creating employment opportunities through economic development. The HOME program is designed to assist low- and moderate-income individuals by providing quality housing. The ESG is designed to assist with the prevention of homelessness and assist homeless individuals and families to move toward self-reliance.

The Annual Action Plan identifies needs, goals and priorities for the funding decisions, and will cover the time period from July 1, 2012 through June 30, 2013.

Thunderbird Conservation Park – New Trail Names Project. Glendale is working on renaming the trails for Thunderbird Conservation Park. After years of having the trail names consist of “H” and a number, the proposed names will be relevant to the trail and make them easier to distinguish from one another. Proposed names include Coach Whip, Flatlander, Ridgeline and Desert Iguana. [Click here](#) to check out all the names and give your feedback!

Glendale Celebrates Another Successful Season of Special Events. From twinkling lights in November through musical notes in April, downtown Glendale is packed with high-quality, family-friendly entertainment throughout its festival season, and this year more and more people enjoyed the festivities.

Glendale's festival season, which includes seven festival weekends, drew a total attendance of 425,000, about an 8% increase over the previous year. Part of what drives that attendance number, in addition to advertising, word-of-mouth and reputation, is editorial coverage. Television media coverage on all of the festivals totaled 166 stories, had a publicity value of \$203,000, reaching an audience of 4.4 million around the Valley and state. In addition, the Glendale Chocolate Affaire was covered by media all over the nation.

There are accolades to celebrate, as well. Glendale Glitters was named one of the top five festivals in the state of Arizona by AAA's Highroads Magazine. The Glendale Glitters Spectacular event was an officially-sanctioned state Centennial event, as was the Glendale Chocolate Affaire
