Separate Your Sanitation Containers by Three Feet for Better Service. Because Glendale offers both trash and recycling service on the same day, most residents are putting two containers out at the curb, but perhaps not properly. Did you know that your trash and recycling container must be three feet apart? If they aren't, it impedes the drivers' ability to pick up each container; this can result in damage to containers, and even the need for a driver to get out of the truck to set the container properly. Containers should also be placed away from other obstacles, such as mail boxes, decorative borders and cable boxes. Being mindful of separating the containers by at least three feet helps city staff provide better customer service in a more efficient manner.

Other things to remember when placing out your trash and recycling:

- Bag and tie all trash
- Recycling should be loose - not bagged
- Don't overfill your containers
- Bring containers out to the curb the night before or by 6 a.m. on collection day; put away your container by 6 a.m. the day following pick up
- Place containers out in front of your home, not the neighbors
- Proper placement at the curb allows pedestrians to walk on the sidewalk behind your container(s) with containers facing forward
- If your container is damaged, call the Sanitation Office for a replacement

For additional information, call the Sanitation Division at 623-930-2660 or visit www.glendaleaz.com/sanitation.

Social Service Agencies Receive Grant Funds Through Glendale's "From The Heart" Program. Eighteen non-profit agencies that provide essential services to the city's most vulnerable children, families and elderly residents received \$172,900 in grants from Glendale's From The Heart program.

The grants will be used to serve the community in many ways, from providing home-delivered meals and home medical equipment to senior citizens to providing emergency programs for victims of domestic violence.

The money distributed to the social service agencies last week was raised through Glendale's From The Heart program, which enables residents and businesses to add \$1 to their city utility bills each month or make one-time donations.

Agencies receiving grant funds this year included the Alzheimer's Association - Desert Southwest Chapter – \$10,000, Back To School Clothing Drive Association – \$10,000, Boys & Girls Club of Metropolitan Phoenix – \$10,000, Central Arizona Shelter Services – \$12,500, Community Legal Services – \$10,000, Duet-Partners in Health & Aging – \$5,000 and First United Methodist Church of Glendale – \$10,000.

Other agencies receiving funds were Gabriel's Angels – \$5,000, Jewish Family and Children's Services – \$5,000, A New Leaf – \$6,000, New Life Center – \$10,000, One Step Beyond – \$5,500, St. Mary's Food Bank Alliance – \$12,500, Society of St. Vincent de Paul – \$15,000, Salvation Army Glendale Corps – \$6,000, Sojourner Center – \$8,900, Solecito Services – \$15,000 and YWCA of Maricopa County – \$16,500.

Money collected from the program is distributed annually to local social service agencies through a grant application and selection process. The main criteria to receive funding is that the agencies must provide services to Glendale residents that promote the positive development of youth, strengthen families and assist citizens of all ages in addressing urgent needs.

Since From The Heart began in 1997, more than \$2.4 million has been collected and distributed to non-profit agencies serving Glendale residents. For more information on Glendale's From The Heart program, [click here](#).
