Monthly Safety Tips from the Glendale Police Department. With Halloween right around the corner, the safety of our children is our primary concern. The Glendale Police Department would like you to remember a few safety tips:

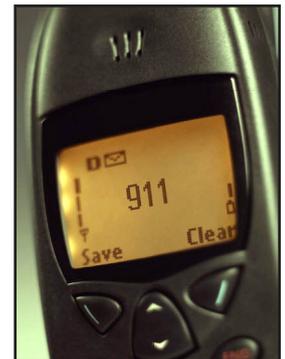

1. If at all possible, make sure that some portion of your child's costume is reflective, dark costumes are hard to see at night for motorists traveling in the area.
2. Remind your children not to eat any candy or treats until a parent or guardian has inspected it, in a controlled setting with adequate lighting. Any suspicious treats should be thrown away immediately. In extreme situations, don't hesitate to call police.
3. Remind your children never to enter any home or apartment without parental supervision.

Glendale Collects Cell Phones To Aid Domestic Violence Victims. The city of Glendale is dialing in on a good cause with its annual cell phone recycling campaign. The campaign, which coincides with America Recycles Day on Nov. 15, benefits domestic violence victims.

Through Nov. 30, the public is encouraged to drop off old cell phones at any of following locations: Glendale's three public libraries, the Glendale Visitor Center in downtown Glendale, Gate 3 of Jobing.com Arena, located on the northwest corner of the building, and at Glendale Community College.

All phones collected in Glendale will benefit the Glendale Family Advocacy Center which serves victims of domestic violence. Refurbished phones are programmed so victims of stalking and domestic violence will have a means of dialing 9-1-1 if threatened. Money collected for non-working phones is used to fund hotel stays, toys for children, taxi rides or to provide other services to keep victims out of harm's way.
