## **SPECIAL NEWS BULLETIN**

Reminder: Rezoning Application ZON13-04: Palm Canyon Business Park Planned Area Development (PAD) Amendment (17750 North 83<sup>rd</sup> Avenue) is scheduled for the Planning Commission Meeting Thursday evening – **February 6th, at 6:00 p.m. in the Glendale City Council Chambers Building, 5850 West Glendale Avenue.**

This request by Becker Boards LLC is to amend the permitted uses for the existing PAD zoning to allow static billboards. The applicant proposes to erect two static billboards on the property, the proposed height for both billboards is 85 feet.

This meeting is a critical step in the decision-making process, and your presence and that of your neighbors is imperative. The Planning Commission will accept public comments during the public hearing, so it is a crucial opportunity to show your opposition. If you attend the meeting but prefer not to speak, you can fill out a speaker card and simply indicate that you do not support this application.

Thank you for your continued support, and I hope you can attend the Planning Commission meeting on Thursday.
