## SPECIAL BULLETIN

### Restrictions in Place This Week at Loop 101 (Agua Fria Freeway), Grand and 91st Avenues

Motorists who use north- and southbound Loop 101 to access Grand Avenue or 91st Avenue should utilize an alternate route this week. Because of rubberized asphalt paving work on Grand Avenue between 83rd and 99th avenues, access is heavily restricted at Loop 101 and the on- and off-ramps at Grand and 91st avenues. Access to east- and westbound Grand Avenue from 91st Avenue is restricted.

Drivers who are southbound on Loop 101 can use Thunderbird Road, Cactus Road or Peoria Avenue. Drivers who are northbound on Loop 101 can use Olive or Peoria avenues. Restrictions are scheduled to continue until 7 p.m. Friday (April 29).

For information about other construction-related detours on Loop 101, click [here](#).

To learn more about the Grand Avenue widening and improvement project, click [here](#).

E-mail Valley Freeways at [valleyfreeways@azdot.gov](mailto:valleyfreeways@azdot.gov) or call the Project Hotline at 1-855-712-8530 if you have questions or comments.

ADOT appreciates your cooperation and patience while this work is underway.
