**SPECIAL BULLETIN:  
Air Force Selects Luke AFB as Preferred Location  
for F-35 Pilot Training Center**

Dear Cholla Residents:

Arizona's local and state government officials are delighted with yesterday's decision that the Air Force has selected Luke Air Force Base as the preferred location for the new F-35 Pilot Training Center! With today's decision by the Air Force, Luke is poised to transition from its current F-16 training mission to become the Air Force's F-35 "school house", subject to completion of the Environmental Impact Statement (EIS) process that is currently underway.
