

Cholla District Weekly Update

This week the City Council unanimously approved a purchase agreement with Taser International, Inc. for the implementation of body cameras for the Glendale Police Department. The City Council also unanimously approved the Loop 101 Scenic Corridor in Glendale. I would like to thank the Cholla District residents for their support, as well as Jon Froke, Planning Director for the City of Glendale, and Michael Bailey, City Attorney for the City of Glendale, for assisting the City Council in establishing a scenic corridor along the Loop 101 freeway.

I have provided a link to the recorded City Council Voting Meeting if you wish to watch the presentation and learn more about the Loop 101 Scenic Corridor in Glendale.
