END-USER LICENSE AGREEMENT FOR ACCESSDATA SOFTWARE

IMPORTANT—READ CAREFULLY

This End-User License Agreement (“EULA”) is a legal agreement between an individual or a single legal or juridical entity (“Licensee”) and AccessData Group, Inc., (together with its successors, subsidiaries, affiliates or assigns, “Licensor”) for the AccessData software that accompanies this EULA. An amendment or addendum to this EULA may accompany the Software.

LICENSEE AGREES TO BE BOUND BY THE TERMS OF THIS EULA BY INSTALLING, COPYING, OR USING THE SOFTWARE. IF LICENSEE DOES NOT AGREE, OR DOES NOT INSTALL, COPY, OR USE THE SOFTWARE; LICENSEE MAY RETURN THE SOFTWARE TO LICENSOR’S PLACE OF PURCHASE FOR A FULL REFUND, IF APPLICABLE.

THIS EULA ALLOWS THE LICENSEE TO USE THE SOFTWARE, MEDIA AND DOCUMENTATION PURCHASED FROM LICENSOR. THIS EULA BETWEEN LICENSEE AND LICENSOR SUPERSEDES ANY PRIOR PROPOSAL, REPRESENTATION, OR UNDERSTANDING BETWEEN THE PARTIES.

DEFINITIONS.

“Documentation” means any operating manuals, user instructions, technical specifications or similar publications relating to the use and administration of the Software supplied by or on behalf of AccessData.

“Media” means the physical media on which the Software and Documentation are recorded or printed, as provided by or on behalf of AccessData.

“Software” means (a) the AccessData software products manufactured, developed or otherwise owned or produced by AccessData, (b) any updates or versions of those software products, and (c) any complete or partial copies thereof.

“Training Program” means any materials, curricula, videos, manuals or associated training course content, or any complete or partial copies thereof, developed by AccessData to accompany the Software.

LICENSE GRANT.

Licensor hereby grants to Licensee, and Licensee accepts, a non-exclusive license to use the Software or Documentation, whether contained on Media or downloaded or received via a network if no Media is provided, in object-code-only form and only as authorized in this EULA. If Licensee has purchased a single-user license, Licensee may install the Software on one (1) machine at a time for use by one (1) user. If Licensee has purchased a multi-user license, Licensee may (a) install the software on the number of machines for which Licensee has purchased licenses for Licensee organization’s use, and/or (b) may allow use of the Software subject and pursuant to the number of concurrent or named user licenses Licensee has purchased. Licensee is prohibited from sharing the Software with a third party who is not subject to the terms of this EULA. Licensee may install or use the Software on a distributed or multi-user computer system, such as a local area or wide area network, or multi-user accessible computer, subject and pursuant to the number of concurrent or named user licenses Licensee has purchased. Except as specifically provided above for use in a network environment, a license for the Software may not be shared or used concurrently. Licensee may not permit any device to use the Software or the Software’s user interface unless the device has a separate license for the Software.

The Software may be used only on computers owned, leased, or otherwise controlled by Licensee; in the event of the inoperability of those systems, the Software may be used on a backup system selected by Licensee. Licensee agrees that Licensee will not assign, sublicense, transfer, pledge, lease, rent, or share Licensee’s rights under this EULA. Any purported assignment of any rights hereunder shall be void. Upon loading the Software into Licensee’s system, Licensee may retain the Media for backup purposes.

In addition, Licensee may make one copy of the Software on a second set of media solely for the purpose of backup in the event that the original media is damaged or destroyed. Should Licensee download or otherwise receive a digital copy of the Software, Licensee acknowledges that use of the Software is still subject to the conditions of this EULA. Except as authorized under this paragraph, no copies of the Software or any portions thereof may be made by Licensee or any person under Licensee's authority or control. Any such copy of the Software shall be subject to all terms and conditions of this EULA and shall include Licensor's copyright and other proprietary notices.

Applicable copyright laws protect the Software, Documentation and/or Training Program offered therewith in their entirety. Documentation that accompanies the Software is licensed for internal, non-commercial, reference purposes only. Documentation and Training Program materials shall not be copied or published without prior written approval of Licensor. The Software, Documentation and Training Program contain company trade secrets; Licensee may not decompile, reverse engineer, disassemble, or otherwise reduce the Software to human-perceivable form or disable any functionality that limits the use of the Software. Licensee may not modify, adapt, translate, rent, sublicense, assign, loan, resell for profit, distribute, network or create derivative works based upon the Software, Media, Documentation or Training Program. Licensee may not publicly display the Software, Documentation or Training Program materials or provide technical training or instruction for monetary compensation or other consideration in any form. All licenses granted hereunder will be automatically terminated if the prohibited actions within this paragraph are taken.

CONSOLIDATION OF LICENSES.

Consolidation of multiple single-user licenses, multiple multi-user licenses, or a combination of both under one consolidated multi-user license may be possible under certain circumstances and in Licensor's sole discretion. Consolidated licenses are subject to the restrictions on multi-user licenses contained herein. If the serial number of any single-user or multi-user Software is covered by or merged into a new consolidated license, then Licensee's rights to use that single-user or multi-user Software under this EULA is replaced, terminated, and superseded by Licensee's rights to use the consolidated Software.

AUTHORIZED USERS.

The Software may be used by employees of Licensee's organization at facilities governed by Licensee. Licensee will use commercially reasonable efforts to restrict network or any other access to the Software, Documentation or Training Program by anyone outside of Licensee's organization who is not authorized to use the same. If Licensee is an educational institution, the Software may only be used by Licensee's enrolled students, faculty, teaching assistants and administrators on Licensee institution's computers. Temporary employees, contractors, and consultants of Licensee's organization who work on-site at Licensee's facility may also use the Software, so long as such temporary employees, contractors and consultants or their computers are included in the total number of licenses purchased by Licensee. Any copies of the Software used by temporary employees, contractors and consultants must be removed from such individuals' computers once they cease working at Licensee's facilities.

LICENSOR'S RIGHTS.

Licensee acknowledges and agrees that the Software consists of proprietary, published and unpublished property of Licensor, protected under United States copyright law and trade secret laws, international treaties and conventions, and other national and international laws of general applicability respecting intellectual property rights. Licensee further acknowledges and agrees that all right, title, interest, and other intellectual property rights in and to the Software are and shall remain with Licensor. This EULA does not convey to Licensee an interest in or to the Software, but only a limited right of use revocable in accordance with the terms of this EULA. The Software is licensed, not sold, and the use of the word "purchase" with respect to licenses granted herein refers to license fees for such use. This EULA does not grant Licensee any rights to trademarks or service marks of AccessData. AccessData reserves all rights not expressly granted to Licensee in this EULA.

NO RENTAL/COMMERCIAL HOSTING.

Licensee may not rent, lease, lend, or provide commercial hosting services with the Software or use the Software in a service bureau capacity.

LICENSE FEES.

The license fees paid by Licensee are paid in consideration of the licenses granted under this EULA.

TERMINATION.

This EULA shall continue until terminated as provided herein or by operation of law. Upon termination by either party, Licensee must return all Software, Media and Documentation, and erase any other copies of the same in whole or in part. Licensor may terminate this EULA upon the breach by Licensee of any EULA term.

EXPORT RESTRICTIONS.

Licensee acknowledges that the Software is subject to the export control laws and regulations of the United States of America and other countries. Licensee agree to comply with all applicable national and international laws that apply to the Software, including the U.S. Export Administration Regulations, as well as end-user, end-use, and destination restrictions issued by the United States and other governments.

LIMITED WARRANTY.

Licensor warrants, for Licensee's benefit alone, that the Media (exclusive of third party servers, storage or appliance-based hardware) in which the Software is embedded shall, for a period of thirty (30) days from the date of Licensee's purchase of the Software ("Warranty Period"), be free from defects in material and workmanship. Licensor further warrants, for Licensee's benefit alone, that during the Warranty Period the Software shall operate substantially in accordance with the Documentation. If, during the Warranty Period, a defect in the Media or Software appears, Licensee may return the Software to Licensor personally or by mail to: AccessData, 588 South 400 West, Suite 350, Lindon, Utah 84042, with written instructions for replacement.

EXCLUSIVE REMEDY.

LICENSEE AGREE THAT THE FOREGOING CONSTITUTES LICENSEE'S SOLE AND EXCLUSIVE REMEDY FOR BREACH BY LICENSOR OF ANY WARRANTIES MADE UNDER THIS EULA. EXCEPT FOR THE WARRANTIES SET FORTH ABOVE, THE MEDIA, SOFTWARE, DOCUMENTATION AND TRAINING PROGRAM ARE LICENSED "AS-IS," AND LICENSOR DISCLAIMS ANY AND ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

LIMITATION OF LIABILITY.

LICENSOR'S CUMULATIVE LIABILITY TO LICENSEE OR ANY OTHER PARTY FOR ANY LOSS OR DAMAGES RESULTING FROM ANY CLAIMS, DEMANDS OR ACTIONS ARISING OUT OF OR RELATING TO THIS EULA OR THE USE OF THE SOFTWARE SHALL BE LIMITED TO REPLACEMENT OF THE SOFTWARE AND, IN ANY EVENT, SHALL NOT EXCEED THE LICENSE FEE PAID TO LICENSOR FOR THE USE OF THE SOFTWARE PRORATED ON A MONTHLY BASIS OVER A PERIOD OF THREE (3) YEARS FROM THE EFFECTIVE DATE OF THE EULA. IN NO EVENT SHALL LICENSOR BE LIABLE FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL OR EXEMPLARY DAMAGES OR LOST PROFITS OR ANY SIMILAR CLAIMS, EVEN IF LICENSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

INFRINGEMENT INDEMNITY.

Licensor shall indemnify and defend Licensee from and against third party claims against Licensee that the Software infringes or

misappropriates any patent, trademark, trade secret, copyright or other proprietary right of such third party, provided that Licensee give Licensor: (a) written notice of any such claim, action or demand within ten (10) business days of Licensee's knowledge thereof; (b) control of the defense and settlement thereof; and (c) reasonable assistance in such defense or settlement, for which Licensor will pay reasonable out-of-pocket expenses. If any Software becomes or, in Licensor's opinion, is likely to become the subject of any injunction preventing use as contemplated herein, Licensor may, at its sole discretion, (a) procure for Licensee the right to continue using such Software, (b) replace or modify such Software so that it becomes non-infringing without substantially compromising its functionality, or, if (a) and (b) are not reasonably available to Licensor, then (c) terminate Licensee's license to the allegedly infringing Software and refund a portion of the license fees prorated on a monthly basis over a period of three (3) years from the effective date of the EULA.

The foregoing obligation of Licensor does not apply with respect to (a) any products not supplied by Licensor, (b) Software which is modified after delivery by Licensor, if the alleged infringement relates to such modification, (c) Software combined with other products, processes or materials where the alleged infringement relates to such combination, (d) Software where Licensee continues the allegedly infringing activity after being notified thereof or after being informed of modifications that would have avoided the alleged infringement, or (e) any information or data stored by Licensee, and in each case, Licensee shall defend and indemnify Licensor from and against such claims subject to the same conditions noted above. THE FOREGOING STATES THE ENTIRE LIABILITY OF LICENSOR WITH RESPECT TO INFRINGEMENT OF PATENTS, COPYRIGHTS, TRADE SECRETS OR OTHER INTELLECTUAL PROPERTY RIGHTS BY THE SOFTWARE OR ANY PART THEREOF OR BY THEIR OPERATION.

CONFIDENTIALITY.

By virtue of this EULA, the parties may have access to information that is confidential to one another ("Confidential Information"). Confidential Information includes, without limitation, the Software, Documentation, Training Program, the terms and pricing under this Agreement, and all information clearly identified as confidential or reasonably deemed to be confidential based on the circumstances and industry practices.

A party's Confidential Information shall not include information that (a) is or becomes a part of the public domain through no act or omission of the other party; (b) was in the other party's lawful possession prior to the disclosure and had not been obtained by the other party either directly or indirectly from the disclosing party; (c) is lawfully disclosed to the other party by a third party without restriction on disclosure; or (d) is independently developed by the other party.

The parties agree to hold each other's Confidential Information in confidence during the term of this Agreement and thereafter. The parties agree, unless required by law, not to make each other's Confidential Information available in any form to any third party for any purpose other than the implementation of this Agreement. Each party agrees to take all reasonable steps to ensure that Confidential Information is not disclosed or distributed by its employees or agents in violation of the terms of this Agreement. Each party agrees that remedies at law may not be adequate to protect the rights of the other party under this section and that a non-breaching party may seek injunctive or other equitable relief to enforce such rights. This Agreement in and of itself shall be considered the Confidential Information of each Party and shall be subject to the obligations, terms, and conditions described herein. Notwithstanding the foregoing, the parties agree that AccessData may disclose to third parties, only for AccessData's internal business development and marketing efforts, the fact that End User has retained or licensed certain of AccessData's services or products.

INDEMNIFICATION.

Licensee accepts full legal responsibility for all research and investigations performed through Licensee's use of the Software. Licensee agrees to hold harmless and indemnify Licensor for any and all demands, claims, legal action and damages, including all

attorney's fees and costs, against Licensor, which arise out of Licensee's use of the Software. In any legal action regarding the indemnification contained in this EULA, the prevailing party shall be entitled to recover from the non-prevailing party all of its attorney's fees and costs.

GOVERNING LAW.

This EULA shall be construed and governed in accordance with the laws of the State of Utah without regard to provisions relating to conflicts of laws. Any dispute arising out of or with respect to this EULA between Licensee and Licensor shall be solely adjudicated by the competent Federal or State court situated in Salt Lake City, Utah. Licensee and Licensor consent to the venue and jurisdiction of such court for purposes of any such dispute. Each Party hereby waives any right to a jury trial in any dispute between them. The Parties agree that the United Nations convention on the international sale of goods shall not apply to this EULA. Licensee agrees to abide by the terms of any international, national, or local laws and regulations that apply to Licensee's use of the Software including, without limitation, laws respecting data privacy and individually identifiable information.

SEVERABILITY.

Should any court of competent jurisdiction declare any term of this EULA void or unenforceable, such declaration shall have no effect on the remaining terms hereof.

NO WAIVER.

The failure of either Licensee or Licensor to enforce any rights granted hereunder or to take action against the other party in the event of any breach hereunder shall not be deemed a waiver by that party as to subsequent enforcement of rights or subsequent actions in the event of future breach.

ENTIRE AGREEMENT.

This EULA contains the entire understanding of the parties relating to the subject matter contained herein and supersedes all prior agreements and understandings, written or oral, relating to the subject matter hereof. This EULA may not be modified or amended except by written agreement signed by both parties.
