Arizona Internet Crimes Against Children Task Force

Sub-grant Application for Training and/or Equipment – FY 2015-2016
Cooperative Agreement 2012-MC-FX-K008

**Upon approval, all purchases must be completed and receipts submitted
on or before April 16, 2016.**

Request for:

Training
and/or
Equipment

Your Agency: Glendale Police Department

Sgt. Daniel Soto / 623-930-3146 / dsoto@glendaleaz.com
Contact person name Phone e-mail

David Rice / 623-930-3296 / drice@glendaleaz.com
Alternate contact person Phone e-mail

1. Describe the training and/or equipment requested, including the estimated costs (use additional pages or attachments if needed): The Glendale Police Department is requesting funding to send our Computer Forensic Examiner to the International Association of Computer Investigative Specialist's Basic Computer Forensic Examiner Training. This training is held once a year and is for two weeks. The training covers several areas of computer forensics and prepares the student to enter the Certified Forensic Computer Examiner program. This certification is the law enforcement industry standard. The total cost of the training is \$6,504.44 including tuition, travel, lodging per diem and car rental. A cost summary worksheet is attached. The Glendale Police Department is also requesting two licenses for AccessData LMS Annual Pass for online training. The annual pass provides access to several modules of training over a one year period allowing detectives to obtain training at their own pace. The cost for two AccessData Annual Training passes is \$8,000. The Glendale Police Department is further requesting the purchase of Cellebrite UFED Touch Physical. This device extracts data from cellphones and tablets which can then be used to further Child Crime investigations. The UFED Touch is also mobile which makes it easy to process cellphones and tablets in the field. The cost for a Cellebrite UFED Touch Physical is \$11,000. The final item Glendale Police Department is requesting is funding for the purchase of a Sumuri Talino KA-101 forensic computer. Glendale's current forensic computers are aging and a new computer is needed to be up-to-date with current standards. The cost of the Sumuri Talino KA-101 is \$4500.00. Total amount requested is \$30,004.44.

2. Describe the Internet crimes against children problem(s) to be addressed through the use of the requested training and/or equipment. (attach additional information if necessary, not exceeding 250 words): The Glendale Police Department regularly received tips from Arizona Internet Crimes Against Children and these tips are reviewed for potential assignment to a Child Crimes Detective. Once evidence is obtained the digital evidence is processed by a computer forensics examiner. The requested training will provide a solid understanding of computer forensics and prepare the investigator for the certification process. The training will further provide the investigator with the necessary understanding of how to properly process digital evidence, obtain the evidence, use standard tools to obtain the data and how to prepare the data for presentation in court. This Certification is highly recognized and useful when testifying in court as an expert. In addition to CFCE training, the department has the need to train additional personnel on AccessData FTK forensic software. This is the primary software Glendale Police Department utilizes when processing computers. The purchase of a new forensic computer (Talino KA-101) will be utilized to install AccessData software and additional forensic software to process computer information during Child Crimes cases, including ICAC tips. The requested training and equipment will equip and provided necessary skills for Glendale Detectives to investigate ICAC and other crimes against children cases.

3. Does your agency agree to comply with Department of Justice, Office of Juvenile Justice and Delinquency Prevention assurances as described at the web page:
(See attached screen shots)

Yes
No

4. Does your agency agree to provide monthly statistical reports of ICAC investigations, arrests and trainings to the Arizona ICAC? (see attachment)

Yes
No

5. Does your agency agree to abide by Internet Crimes Against Children Program Operational and Investigative Standards? (You may obtain the standards by contacting Sgt. Jerry Barker at 623-466-1828 or by email at jerry.barker@phoenix.gov.)

Yes
No

Re: Arizona ICAC Task Force Sub-Grant Funds for 2015-2016

Greetings Arizona ICAC Task Force Affiliate,

The Arizona Internet Crimes Against Children (ICAC) Task Force is a partially grant-funded network of Arizona law enforcement agencies whose mission is to apprehend and bring to justice Internet sexual predators and Internet child pornographers. The Arizona ICAC is one of 61 Task Forces located throughout the United States (see www.icactraining.org). Within Arizona, there are now 57 agencies affiliated with the Task Force through an Intergovernmental Agreement (IGA).

The FY 2015-2016 Department of Justice ICAC Continuation grant permits us to share funding for training and equipment with affiliated law enforcement agencies. We are pleased to offer the following support to your agency:

Funding for equipment and/or training

Reimbursement funds to affiliated agencies for the purpose of purchasing equipment and/or training to assist in the investigation of Internet crimes against children. There is a short application process (see attachment).

Nationwide ICAC training program

The ICAC Training and Technical Assistance Program web site (www.icactraining.org) provides links and information about training that will assist law enforcement in dealing with Internet crimes against children.

We invite all affiliated agencies to submit the attached sub-grant applications and to visit our training and information web site (www.azicac.org). The sub-grant involves a reimbursement process. Once your agency is approved for funds, you will be required to complete all purchases using your departmental funds and your agency will then be reimbursed for the expenses.

For further information, contact Sgt. Jerry Barker at 623-466-1828, jerry.barker@phoenix.gov or Vanessa Villa Secretary II at 623-466-1835, vanessa.villa@phoenix.gov

Subject: GLENDALE POLICE DEPARTMENT ICAC SUB-GRANT FY15-16 APPROVAL (\$5000)

Greetings Chief Debora Black,

We are please to inform you that the Arizona Glendale Police Department, Internet Crimes Against Children (ICAC) Task Force FY2015-2016 Continuation Grant, sub-grant funding request is approved in the amount of \$5,000.00. If there is additional money left over at the end of the FY2015-2016 grant or monies from additional grants, you will be notified of additional opportunities for training and or equipment purchases. Also please keep in mind that if the new IGA has not been administered between our cities/counties, ***you will not be reimbursed any funds that were spent during this period.***

Please consider this e-mail as notification of the approval.

Please refer your detectives to azicac.org for training, education for parents, teachers and officers. The azicac.org website is a great resource. We will also forward opportunities to the affiliates as they come to us.

Important reminders:

1. Sub-grant funds must be used for training and/or equipment directly related to training, investigations, computer forensics or public awareness of Internet Crimes Against Children.
2. Minor deviations from your original sub-grant requests are permissible if the final purchases are related to the ICAC requirements stated above in #1.
3. This is a reimbursement program. This means that your agency must first purchase the equipment or training and then submit receipts along with the attached financial report to Yien Chen of the Phoenix Police Department Fiscal Management Bureau. (yien.chen@phoenix.gov)
4. The deadline for reimbursement requests is April 15, 2016. Requests for reimbursement ***will not be accepted after that date.***
5. Monthly progress reports of your agencies activities related to ICAC investigations, training or public awareness are **REQUIRED** and must be e-mailed to Vanessa Villa or Sgt. Barker.

Thank you for choosing to fight the good fight in this important struggle against Internet sexual predators, manufacturers, distributors and possessors of unlawful images. Your hard work and the work of your staff is greatly appreciated. Anyone who has questions about this information may contact me at 623-466-1828 or by email at jerry.barker@phoenix.gov.
