PROBLEM IDENTIFICATION AND RESOLUTION:

Agency Background:

The Glendale Police Department comprises approximately 400 sworn officers and 140 civilians serving a population of over 228,000 residents whose median age is 32.2 years. State Highway 101 (The "Loop" or Agua Fria Freeway) enters the City of Glendale at West Camelback Road near 99th Avenue and exits 10 miles later at North 51st Avenue. U.S. Highway 60 (Grand Avenue) enters the city of Glendale at its southeast corner, at the intersection of North 43rd Avenue and West Camelback Road, and proceeds northwest for approximately 5.5 miles to the border of a our neighbor city on the northwest, Peoria, Arizona. There are over 800 miles of paved roadway in Glendale, which currently encompasses 58.15 square miles. The City of Phoenix borders Glendale at West Camelback Road in the south, and along North 43 and 51 Avenues on the east. South of West Northern Avenue, Glendale extends west past Luke Air Force Base and shares irregular boundaries with unincorporated areas of Maricopa County. In the north, Glendale's neighbor to the west is Peoria, with borders along 67, 79 and 83 Avenues, traveling progressively north.

Agency Problem:

The Glendale Police Department experiences motorists that do not wear their seat belts and collision statistics continue to bear out that a disproportionate share of injuries and fatalities are caused by this simple negligence on the part of both drivers and passengers. Nationwide, more than 60 percent of persons killed in traffic collisions were not wearing seat belts. Every year, Glendale Police Department participates in the "Click it or Ticket" campaign, and the proportion of persons who were not wearing seat belts improves. The Glendale Police Department is requesting funding to continue targeted occupant protection enforcement efforts in the City of Glendale.

The objective of the FY2013 Seat Belt campaign in Glendale will be to increase voluntary compliance with the laws pertaining to the use of occupant restraint devices. Glendale Police Department will once again devote officers to the "Click it or Ticket" activities. Voluntary compliance with the law is the primary goal, since Glendale Police Department is unable to enforce this as a primary offense. Increase officer awareness through briefing material and statistical salesmanship of the central point: in a traffic collision, those who are unrestrained are much more likely to die. Train officers involved in "Click it or Ticket" on how to talk motorists into compliance. Address the issue to the public via news media and public service announcements to raise awareness and reinforce voluntary compliance. Glendale Police Department plans to participate in all Governor's Office of Highway Safety (GOHS) seat belt enforcement events and also to create seat belts proactive enforcement campaigns in high traffic areas in the City of Glendale.

Agency Attempts to Solve Problem:

The Glendale Police Department has participated in the "Click it or Ticket" program for several years. The program provides for targeted enforcement. Media cooperation is always sought in order to raise awareness of the problem. The Glendale Police Department also lays out sensible arguments for seat belt usage at mock crash demonstrations at local high schools and community anti-crime events. Other enforcement efforts have been primarily in conjunction with traffic enforcement stops, since seat belt violations are not primary violations in Arizona.

Agency Funding:

Federal (402) funds will support Personnel Services (Overtime) and Employee Related to enhance Occupant Protection Enforcement throughout the City of Glendale.

How Agency Will Solve Problem With Funding:

Glendale Police Department will utilize grant funding to enforce the Occupant Protection Seat Belt campaign in the City of Glendale. These Occupant Protection enforcement efforts will increase voluntary compliance with the laws pertaining to the use of occupant restraint devices. Glendale Police Department will once again devote officers to the "Click it or Ticket" activities. Voluntary compliance with the law is the primary goal, since Glendale Police Department is unable to enforce this as a primary offense. Increase officer awareness through briefing material and statistical salesmanship of the central point: in a traffic collision, those who are unrestrained are much more likely to die. Train officers involved in "Click it or Ticket" on how to talk motorists into compliance. Address the issue to the public via news media and public service announcements to raise awareness and reinforce voluntary compliance. Glendale Police Department plans to participate in all Governor's Office of Highway Safety (GOHS) seat belt enforcement events and also to create seat belts proactive enforcement campaigns in high traffic areas in the City of Glendale.

Arizona is presently and consistently below the documented average among the states in the Blood Alcohol (BAC) testing of drivers involved in fatality motor vehicle collisions.

D. AGENCY may terminate or abandon this Contract upon thirty (30) days written notice to STATE, provided there is subsequent concurrence by STATE. Termination or abandonment by AGENCY will provide that costs can be incurred against the project up to and including sixty (60) days after notice is given to STATE.

E. Any equipment or commodities which have been purchased as a part of this Contract and which have not been consumed or reached the end of its useful life will be returned to STATE upon its written request.
