All such payments shall be valid and effectual to satisfy and discharge the City's liability upon the Bond, including interest, to the extent of the amount or amounts so paid.

Any Bond may be exchanged for Bonds of any authorized denomination upon presentation and surrender at the principal corporate trust office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. A Bond may be transferred only on the Bond Register upon presentation and surrender of the Bond at the principal corporate trust office of the Bond Registrar, together with an assignment executed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Upon exchange or transfer the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any authorized denomination or denominations requested by the registered owner equal in the aggregate to the unmatured principal amount of the Bond surrendered and bearing interest at the same rate and maturing on the same date.

If manual signatures on behalf of the City are required, the Bond Registrar shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the City. In all cases of exchanged or transferred Bonds, the City shall sign and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of this Ordinance. All fees and costs associated with the exchange or transfer, including any tax or other governmental charges required to be paid with respect to the exchange or transfer, shall be paid by the registered owner requesting the exchange or the transferor, as appropriate. The City or the Bond Registrar may require that those fees and costs, if any, be paid before the procedure is begun for the exchange or transfer. All Bonds issued upon any exchange or transfer shall be valid obligations of the City, evidencing the same debt, and entitled to the same security and benefit under this Ordinance as the Bonds surrendered upon that exchange or transfer.

Any Bond surrendered to the Bond Registrar for payment, retirement, exchange, replacement or transfer shall be canceled by the Bond Registrar. The City may at any time deliver to the Bond Registrar for cancellation any previously authenticated and delivered Bonds that the City may have acquired in any manner whatsoever, and those Bonds shall be promptly canceled by the Bond Registrar. The canceled Bonds shall be retained for a period of time and then returned to the City or destroyed by the Bond Registrar as directed by the Mayor of the City.

The City and the Bond Registrar will not be required (a) to issue or transfer any Bonds during a period beginning with the opening of business on the 15th day next preceding any date of selection of Bonds to be redeemed and ending with the close of business on the day on which the applicable notice of redemption is given or (b) to transfer any Bonds which have been selected or called for redemption in whole or in part.

In case any Bond becomes mutilated or destroyed or lost, the City shall cause to be executed and delivered a new Bond of like date and tenor in exchange and substitution for and upon the cancellation of such mutilated Bond or in lieu of and in substitution for such Bond destroyed or lost, upon the registered owner's paying the reasonable expenses and charges of the City in connection therewith and, in the case of the Bond destroyed or lost, filing with the City Clerk by the registered owner evidence satisfactory to the City that such Bond was destroyed or lost, and furnishing the City with a sufficient indemnity bond pursuant to Section 47-8405, Arizona Revised Statutes.

If any Depository determines not to continue to act as a Depository for the Bonds for use in a Book Entry System, the City may attempt to have established a securities depository/book entry relationship with another qualified Depository. If the City does not or is unable to do so, the City and the Bond Registrar, after the Bond Registrar has made provision with the Depository for notification of the Beneficial Owners by the then Depository, shall permit withdrawal of the Bonds from the Depository, and authenticate and deliver replacement Bonds in fully registered form in the denominations of \$5,000 or any integral multiple thereof to the assignees of the Depository or its nominee. If the event is not the result of City action or inaction, such withdrawal, authentication and delivery shall be at the cost and expense (including costs of printing definitive Bonds) of those persons requesting such authentication and delivery.

To provide for the procedures relating to the book entry system for the Bonds, the Mayor, the City Manager or the Chief Financial Officer is authorized and directed to execute, acknowledge and deliver, in the name and on behalf of the City, the DTC Letter Agreement, in substantially the form submitted to the City Council.

The Mayor or the Chief Financial Officer shall cause the Bonds to be prepared and shall have the Bonds signed, authenticated and delivered, together with a true transcript of proceedings with reference to the issuance of the

Bonds, to the Purchaser upon payment of the par value thereof plus the net premium or discount set forth in Exhibit I.

Section 11. *Application of Proceeds.* The proceeds from the sale of the Bonds shall be paid into the proper fund or funds and credited to separate book accounts, and those proceeds are appropriated and shall be used in the amounts and solely for the purposes as set forth in the respective ballot question submitted to the qualified voters of the City at the aforesaid special bond elections, as determined by the City Manager. The proceeds of the Bonds will be invested pursuant to State law.

Section 12. *Security for the Bonds; Covenants.* For the purpose of paying principal of and interest on the bonds herein authorized there shall be levied on all taxable property in the City of Glendale a continuing, direct, annual ad valorem tax sufficient to produce the amounts required below; said amounts are hereby found sufficient and necessary to assure payment of the principal of and interest on said bonds as the same become due at or prior to maturity. In each year the money derived from said tax shall be paid into separate funds which are hereby created and named the "Interest Fund" and the "Redemption Fund". Such Interest Fund and Redemption Fund shall be kept separately by the City for the equal benefit of the holders of the bonds herein authorized and used solely for the payment of principal of and interest on such bonds. There shall be paid into said Interest Fund and Redemption Fund the accrued interest and any premium received by the City from the purchasers of the bonds herein authorized plus an amount sufficient to pay all interest when due on said bonds plus the amounts on or prior to July 1 in the years determined by the City Manager upon acceptance of the best proposal as described in Section 10 above.

If at the time of any annual tax levy the amount in the Interest Fund and Redemption Fund accumulated as hereinabove required shall not be sufficient to pay all principal and interest falling due on said bonds prior to the time that taxes will become available from the next succeeding tax levy, the City shall include in such earlier tax levy such additional amount as shall produce funds sufficient to remedy any such deficiency and deposit the proceeds of said taxes into the Interest Fund and Redemption Fund. Whenever there shall be insufficient money in the Interest Fund and Redemption Fund to pay bonds and interest thereon payable therefrom when due, the City shall pay such principal and interest from any other legally available fund and shall reimburse such other fund when money becomes available from the proceeds of the taxes hereinabove required.

Section 13. *Allocation of Bonds Between 6% and 20% Debt Limits; Ratification of Prior Actions.* The City Manager is hereby authorized to determine the respective allocations between 6% and 20% in accordance with applicable law. All prior allocations of bond proceeds to specific ballot propositions as set forth in the Whereas clauses herein and as between 6% and 20% to debt limits are hereby affirmed and ratified.

Section 14. *Official Statement.* The Preliminary Official Statement is approved and the distribution of the same by the Purchaser is hereby ratified. The City Manager is authorized and directed to complete, approve and execute on behalf of the City and in his official capacity, the Official Statement, with such modifications, changes and supplements as he shall approve as being necessary or desirable for its purposes. The City Manager, as well as any other official of

the City, is further authorized to use and distribute, or authorize the use and distribution of, the final Official Statement and supplements thereto in connection with the original issuance of the Bonds as may in his judgment be necessary or appropriate. The City Manager, as well as any other official of the City, is authorized to sign and deliver, on behalf of the City, such certificates in connection with the accuracy of the Preliminary Official Statement and the final Official Statement and any amendment thereto as may, in the judgment of the official executing such certificate, be necessary or appropriate.

Section 15. *Continuing Disclosure Undertaking.* The Mayor, the City Manager or the Chief Financial Officer of the City is hereby authorized, empowered and directed to execute and deliver the Continuing Disclosure Undertaking in substantially the same form as now before the City, or with such changes therein as the individual executing the Continuing Disclosure Undertaking on behalf of the City shall approve, his execution thereof to constitute conclusive evidence of his approval of such changes. When the Continuing Disclosure Undertaking is executed and delivered on behalf of the City as herein provided, the Continuing Disclosure Undertaking will be binding on the City and the officers, employees and agents of the City, and the officers, employees and agents of the City are hereby authorized, empowered and directed to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of the Continuing Disclosure Undertaking as executed. Notwithstanding any other provision of this Ordinance, the sole remedies for failure to comply with the Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any Bond to seek mandamus or specific performance by court order, to cause the City to comply with its obligations under the Continuing Disclosure Undertaking.

Section 16. *Tax Covenants.* The City covenants that it will use, and will restrict the use and investment of, the proceeds of the Bonds in such manner and to such extent as may be necessary so that (a) the Bonds will not (i) constitute private activity bonds, arbitrage bonds or hedge bonds under Sections 141, 148 or 149 of the Internal Revenue Code of 1986, as amended (the "Code"), or (ii) be treated other than as bonds to which Section 103(a) of the Code applies, and (b) the interest thereon will not be treated as a preference item under Section 57 of the Code.

The City further covenants (a) that it will take or cause to be taken such actions that may be required of it for the interest on the Bonds to be and remain excluded from gross income for federal income tax purposes, (b) that it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) that it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Bonds to the governmental purposes of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain uses of those proceeds and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Mayor, the City Manager, the City Treasurer or the Chief Financial Officer or any other officer of the City having responsibility for issuance of the Bonds is hereby authorized (a) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the City with respect to the Bonds as the City is permitted or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections

provided for or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments of penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Bonds, and (c) to give one or more appropriate certificates of the City for inclusion in the transcript of the proceedings for the Bonds, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Bonds.

Section 17. *Ratification of Prior Actions.* All actions of the officers and agents of the City which are in conformity with the purposes and intent of this Ordinance and in furtherance of the issuance and sale of the Bonds as contemplated by this Ordinance whether heretofore or hereafter taken shall be and are hereby ratified, confirmed and approved, including the delegation by the City Council at the March 28, 2006, City Council meeting to the City Manager and Chief Financial Officer to determine the sale dates and related publication dates for the Bonds and any changes to the Notice Inviting Proposals for Purchase of Bonds. The Mayor, the City Manager or the Chief Financial Officer, the City Treasurer, the City Clerk and other appropriate officers and agents of the City are hereby authorized and directed to do all such acts and things and to execute and deliver all such documents on behalf of the City as may be necessary to carry out the terms and intent of this Ordinance. Any of such officers are further authorized to provide for insurance of the Bonds if it is determined that such issuance will result in debt service savings on the Bonds.

Section 18. *All Conditions Met.* This Council determines that all acts and conditions necessary under the Act and other applicable laws to be performed by the City or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding special obligations of the City, have been performed and met, or will at the time of delivery of the Bonds have been performed and met, in regular and due form as required by law; and that no statutory, charter or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

Section 19. *Open Meeting.* This Council finds and determines that all formal actions of this Council concerning and relating to the passage of this Ordinance were taken in an open meeting of this Council and that all deliberations of this Council and of any committees that resulted in those formal actions were in meetings open to the public, in compliance with all legal requirements.

Section 20. *Severability.* If any section, paragraph, clause or provision of this Ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Ordinance.

Section 21. *Ordinance a Contract.* This Ordinance shall constitute a contract between the City and the registered owners of the Bonds and shall not be repealed or amended in any manner which would impair, impede or lessen the rights of the registered owners of the Bonds then outstanding.

Section 22. *Emergency.* In order for the City to obtain funds in a favorable interest market rate and prior to the end of the City's fiscal year, the immediate operation of the provisions of this Ordinance is necessary for the preservation of the public peace, health and safety of the City and for the further reason that the improvements being financed are urgently needed to improve the City and its operations; therefore, an emergency is hereby declared to exist and this Ordinance is enacted as an emergency measure and shall be in full force and effect from and after the passage and adoption by the Council of the City, as required by law, and it is hereby exempt from the referendum provisions of the Constitution and laws of the State of Arizona.
