MAYOR JERRY WEIERS BOWLING FOR CHARITY AT UPCOMING FUNDRAISING EVENT IN GLENDALE

GLENDALE, Ariz. – Join Glendale Mayor Jerry Weiers as he raises funds for one of his favorite charities at the 7th Annual Shriners Bowling Fundraiser Palooza on Wednesday, March 13 at Glendale’s Glen Fair Lanes, 6110 N. 59th Ave.

The fundraiser begins at 5 p.m. with a happy hour, and bowling gets underway at 6:30 p.m. The mayor is co-hosting the event along with the El Zaribah Shrine Motorcycle Unit.

The annual fundraising event benefits children throughout Arizona, including Glendale, who are in need of air and ground transportation to one of 22 Shriners Hospitals for Children in the United States, Canada and Mexico. The hospitals provide specialized pediatric care and treatment for orthopedics, burns, cleft lips and palates and spinal cord injuries.

“I started this fundraising event seven years ago, so this charitable cause is near and dear to my heart,” says Weiers. “I encourage residents and businesses that are looking to support a worthwhile charity to come out to the bowling alley on March 13th. It’s going to be a lot of fun.”

A minimum of \$500 is required for each bowling team of six people to participate. Teams must be pre-registered in order to participate.
