## GENERAL OVERVIEW

### Executive Summary

*The city is in the process of developing a strategic plan for use of funds to promote a response to the pandemic, economic recovery, and key outcome goals. Staff anticipates meeting with the Glendale City Council on September 28, 2021, to discuss and seek guidance on developing the plan priorities. The plan is then expected to be completed by October 31, 2021.*

### Uses of Funds

*Once the plan is developed it will identify the uses of funds.*

### Promoting equitable outcomes

*The city is in the process of developing a strategic plan for use of funds and outcomes that promote equity.*

### Community Engagement

*The city is in the process of developing a strategic plan for use of funds that incorporates and captures feedback from constituents, community-based organizations, and the community.*

### Labor Practices

*The city is in the process of developing a strategic plan for use of funds that promotes effective and efficient delivery of high-quality infrastructure projects while also supporting the economic recovery through strong employment opportunities for workers.*

### Use of Evidence

*The plan will identify whether funds are being used for evidence-based interventions and/or if projects are being evaluated through rigorous program evaluations that are designed to build evidence.*

### Table of Expenses by Expenditure Category

*The city is working to identify eligible expenditures that were incurred beginning March 3, 2021.*

### Project Inventory

*The city is in the process of developing a strategic plan for use of funds and does not yet have any projects to report.*
