Glendale Police Shifts Traffic Awareness and Enforcement Campaign to Bell Road

GLENDALE, Ariz. – The Glendale Police Department Traffic Unit and the Foothills Patrol Division will work in partnership to increase awareness, education and enforcement along the Bell Road corridor this week. Beginning on April 22nd, Officers will be conducting “high visibility activities” in attempts to bring traffic safety and awareness to drivers. This week-long focus on Bell Road is only one piece of an ongoing traffic safety plan that focusses on areas of the City that statistically need the attention to address identified concerns.

Over the past two years, Glendale has identified an increase in traffic collisions and traffic related fatalities. With the adoption of the “Hands Free” distracted driving ordinance earlier this year, Glendale Officers will be doing their part to ensure that drivers have their attention on the roadways and are obeying the traffic laws put in place to protect our residents and visitors.
