The Glendale Ambassadors Celebrate 30 Years as the Helping Hands of Glendale

The Glendale Ambassadors are an organization of residents with a deep sense of pride in their community, and a mission to enhance the economic, social, and cultural vitality of Glendale. The Ambassadors have been in existence since 1994. They were founded by former Glendale Mayor, Elaine

Scruggs, whose vision was to create an all-volunteer citizens group to help bring awareness to the City of Glendale.

Through the years, the organization was the primary volunteer group for the beverage booths at Glendale’s treasured festivals. Funds raised through their booth volunteerism have benefited many organizations throughout Arizona. The Ambassadors have donated more than \$353,000 to enhance youth sports, senior services, local theater, fire and police community services, parks and recreation activities, Glendale Summer Band and much more.

Ambassador members participate in numerous activities throughout the year including the Glendale Adopt-a-Street Program, monthly membership meetings, tours of historic sites and attractions throughout Glendale, and local community and nonprofit organization partnerships.

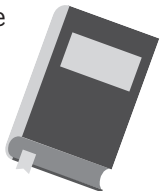

The Ambassadors are celebrating their 30th year anniversary this year. A 30th Anniversary Committee has been formed and is planning activities throughout the year including a Glendale Hometown Treasures event on September 12, 2024, to be held at the GFWC Glendale Woman’s Club.

Residents and business owners are encouraged to join the Glendale Ambassadors. Membership is \$25 annually. To learn more about the Glendale Ambassadors, visit their website at www.GlendaleAmbassadors.org or follow them on Facebook at www.Facebook.com/GlendaleAmbassadors.
