2024 Water Quality Report Now Available

Beginning July 1, the city of Glendale 2024 Water Quality Report (Consumer Confidence Report) is available. Please visit www.glendaleaz.com/2024ccr to view the report. Glendale Water Services Department tests, analyzes and monitors water quality many times every day to ensure that the water provided is clean and safe to use. To get more information or request a free report by mail, call the Glendale Water Services Department at 623-930-4177. Printed copies of the 2024 Water Quality Report will be available at all Glendale Public Library locations.

Informe de Calidad del Agua 2024 Disponible ahora

La Ciudad de Glendale ya tiene disponible el Informe de Calidad del Agua 2024 (Informe de Confianza del Consumidor). Por favor visite

www.glendaleaz.com/2024ccr para ver el informe. El Departamento de Servicios de Agua de la Ciudad de Glendale analiza y monitorea su calidad, varias veces al día para asegurarse de proveer al público agua limpia y segura para su consumo. Si desea recibir más información o quiere que se le envíe una copia gratuita del informe, llame al Departamento de Servicios de Agua de Glendale al 623-930-4177. Copias impresas del Informe de Calidad del Agua 2024 estarán disponibles en todas las Bibliotecas Públicas de Glendale.

►►► YOUR OPINION MATTERS! ◀◀◀

Glendale is seeking feedback from residents on the city's amenities, services and more. Residents have been randomly selected to receive mailed survey instructions. If you receive the postcard or survey packet, please follow the instructions to complete the survey. If you do not receive the mailing, you will be invited to share your thoughts in a community-wide survey beginning July 22. www.glendaleaz.com

Beat the Summer Heat

A reprieve from the scorching temperatures is available at any of the nine cooling stations, two hydration stations or two respite centers throughout the city. You can cool off, grab some water and access services, if needed. www.glendaleaz.com/heatre lief

COMMUNITY NEWS

July is Smart Irrigation Month

Smart irrigation controllers know when and how to water your plants, helping you save water and money. The city of Glendale offers new rebates for WaterSense irrigation controllers, WaterSense sprinkler spray bodies, rain sensors and grass removal.

America

Did you know that in just one year, we will celebrate America's semi quincentennial? Are you wondering what that is? Our great country turns 250 years old in 2026. On July 4, 2026, our nation will commemorate the signing of the Declaration of Independence. Over the next year, our office will pause and reflect on our nation's past, honor the contributions of all Americans, and look ahead toward the future we want to create for the next generation and beyond.

This extraordinary anniversary invites all Americans to reflect on our shared history, celebrate the values of liberty and justice, and recognize the generations of citizens who have contributed to the strength and resilience of our nation. The city of Glendale proudly joins communities across the nation in marking the beginning of this historic celebration, "America 250".

Speaking of the Fourth of July, I am excited to celebrate with you at our traditional fireworks show at Westgate this year. Please remember the city rules and regulations regarding fireworks. Aerial fireworks are prohibited, and you may not have more than 500g of explosive material. For more information, visit the city of Glendale's Fire Marshalls webpage. Happy Independence Day. Enjoy and stay safe.

In your service,
Jerry P. Weiers
Mayor of Glendale
