The Glendale City Council has placed two important bond questions on the ballot this November.

The combination of the city's high credit ratings and relatively low interest rates on municipal bonds, make this a fiscally responsible way to fund key projects to improve road safety, reduce the risk of property and road damage during floods, ensure emergency services can respond quickly, and keep critical infrastructure functioning.

## 12TH ANNUAL STAND UP FOR VETERANS

Our 12th annual *Stand Up for Veterans* is scheduled for Saturday, October 11, at Arizona Christian University (ACU), beginning at 8 a.m. This event, located at 1 W. Firestorm Way, Glendale, reminds me why honoring our veterans is so essential. We owe our freedom to the brave men and women who have served and sacrificed for our nation—from independence to present. Their courage has earned not only our respect but our enduring gratitude.

Stand Up provides free legal aid, job opportunities, career support, Motor Vehicle Department services, health check-ups, veterinary services, a blood drive, haircuts, and a free BBQ lunch. Staffed entirely by volunteers, this event has impacted thousands of lives, including veterans and their family members.

If you are interested in participating, please visit [tripleaz.com](http://tripleaz.com) and register! Each year, donors and volunteers rise to support those who once stood for us. For more information call our office at (623) 930-2260.
