WELCOME BACK TO GLENDALE'S CITY HALL

After three years of extensive construction work, Glendale City Hall has officially reopened its doors to the public, unveiling a transformed space designed with residents and customer service at its core. The redesigned facility introduces a one-stop-shop model, allowing community members to access a wide range of city services all under one roof.

SUMMER READING CHALLENGE

Log your reading and earn prizes from June 1 – July 20

GlendaleOne provides access to non-emergency services 24/7

COMMUNITY NEWS

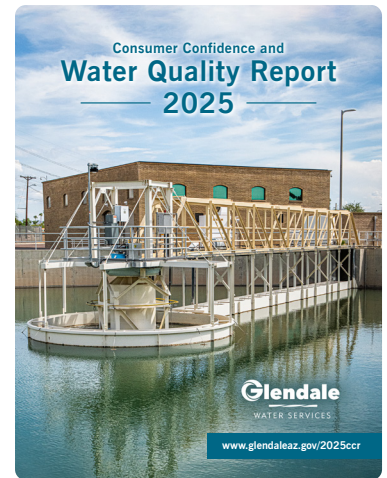

MEET CALVIN GINDLESPERGER SENIOR WATER TREATMENT OPERATOR

Calvin Gindlesperger traded Pittsburgh's winters for the Arizona sun, bringing 46 years of water industry experience with him. Now a senior water treatment operator at Glendale's Pyramid Peak Water Treatment Plant, he manages treatment processes, distribution and regulatory compliance. Calvin holds the highest available licenses in Arizona and Pennsylvania for water treatment and distribution, and mentors the next generation of operators entering the field.

2025 WATER QUALITY REPORT - *Now Available*

Beginning July 1, the City of Glendale 2025 Water Quality Report (Consumer Confidence Report) is available. Please visit glendaleaz.gov/2025ccr to view the report. To get more information or request a free report by mail, call the Glendale Water Services Department at 623-930-4177. Printed copies of the 2025 Water Quality Report will be available at all Glendale Public Library locations.

INFORME DE CALIDAD DEL AGUA 2025 *Disponible ahora*

La Ciudad de Glendale ya tiene disponible el Informe de Calidad del Agua 2025 (Informe de Confianza del Consumidor). Por favor visite glendaleaz.gov/2025ccr para ver el informe. Si desea recibir más información o quiere que se le envíe una copia gratuita del informe, llame al Departamento de Servicios de Agua de Glendale al 623-930-4177. Copias impresas del Informe de Calidad del Agua 2025 estarán disponibles en todas las Bibliotecas Públicas de Glendale.

**COUNCILMEMBER
LUPE CONCHAS**

Dear Friends and Neighbors,

As your Councilmember, I am proud to help lead Glendale into the 250th anniversary of the United States. This milestone is not just about looking back; it is about deciding what kind of future we will build together. Two hundred and fifty years ago, the Declaration of Independence set forward a bold vision of equality, freedom, and self-governance. That vision still calls on us today, not just to celebrate it, but to live it.

I love America because it is always evolving. Each generation has pushed us closer to our ideals, and now it is our turn to move that work forward. Here in Glendale, we have the opportunity to lead by example. Our city is diverse, vibrant, and full of people from different backgrounds, cultures, and experiences. That is our strength. As we plan for America250, I am committed to creating opportunities for every resident to participate, share their story, and help shape what comes next.

Let's come together, celebrate our progress, and get to work building a stronger, more inclusive future and a better Glendale for all. Let's celebrate everyone.

With gratitude,
Councilmember Lupe Conchas, Cactus District

COMMUNITY NEWS

FACTS! *Designated Flood Hazard Area*

Did you know some parts of Glendale are designated by the Federal Emergency Management Agency (FEMA) as being in a special flood hazard area (SFHA), flood plain, or floodway? Properties in these areas are required to purchase flood insurance as part of their federally backed home mortgage. However, other sections of the city are subject to flooding that is not shown on the Flood Insurance Rate Maps (FIRM).

Glendale's Engineering Department has copies of the current FIRMs and Flood Information Studies (FIS) for Glendale and can let you know if your property is in an SFHA, floodplain, or floodway and if flooding or a local drainage problem are known or have been reported to the city in your area in the past. The city's Engineering Department also has copies of the most recent FEMA elevation certificates for some structures, Letters of Map Revisions (LOMRs), and Letters of Map Amendments (LOMA) within the city, as well as the current floodplain ordinance on file.

All properties within Glendale can obtain flood insurance whether you are in a designated flood area or not. Remember, homeowners' policies do not cover flood loss.

INFO: 623-930-3656 or go to glendaleaz.gov and search "flood zone determination."
