GLENDALE NAMED 2025 BEST CITY FOR BUSINESS

City recognized by the Arizona Chamber of Commerce

GLENDALE, AZ – Each year the Arizona Chamber of Commerce & Industry hosts an annual awards ceremony where they recognize Arizona business leaders, elected officials, and organizations who have enhanced the growth of their community. This year, they recognized Glendale as the Best City for Business.

“This award is a credit to the continued efforts of our incredible economic development team, our business partnerships, and our City Council,” said Mayor Jerry P. Weiers. “In Glendale, we strive to be the most business friendly and family friendly city in the region, and this award demonstrates we are doing just that.”

Mayor Weiers and city officials were on hand this past Tuesday to receive the award at the Arizona Chamber’s annual awards ceremony. This significant recognition reflects Glendale’s strong economic development efforts, strategic business partnerships, and continued commitment to creating a vibrant and supportive environment for businesses of all sizes.
