## HEROES REGIONAL PARK OFFICIALLY CUTS THE RIBBON

*Following a yearlong project, Heroes Park reopens with additional amenities*

**GLENDALE, AZ** – Mayor Jerry P. Weiers, the Glendale City Council, Glendale Parks and Recreation Director John Kennedy, and members for the architecture and construction companies helped cut the ribbon on re-opening Heroes Regional Park.

“We are always promoting healthy lifestyles within our great city,” said Mayor Weiers. “Heroes Regional Park offers amenities across the board for all ages. With this recent upgrade, the park now features more shaded playgrounds for children of all ages, numerous athletic fields, including the city’s first synthetic turf field and two natural grass fields.

Mayor Weiers continued, “And on top of all of that, the park is also home to eight brand-new pickleball courts, as well as a dog park for your furry friends.”
