

Intergovernmental Programs Department

2026 End of Session Report

Statement of Purpose

Dear Readers,

The purpose of this document is to provide the Glendale City Council, department directors, and staff with a clear and concise overview of each of the bills that made it to the Governor's desk that are of interest to the City from the 57th Legislature, 2nd Regular Session.

This report is designed to ensure transparency, support efficient review, and assist in evaluating how newly enacted laws align with Glendale's strategic goals, operational needs, and community priorities. Each section includes a summary of the new laws that were enacted as well as a list of bills that were vetoed.

If you have any questions, please contact the Intergovernmental Programs Department Director at **GCarico@glendaleaz.com**.

Sincerely,

Intergovernmental Programs Department

Ginna Carico

City Clerk/Elections

Vetoed

[SB 1037 voting; equipment; internet; custody; violation](#)

Prescribes various security requirements for vote recording equipment and tabulating equipment that is certified for use in elections in Arizona.

[Full Bill Summary.](#)

In her veto message, the Governor stated that this legislation should be included in the Elections Procedures Manual where it can be regularly updated as technology evolves, if further specifications regarding election equipment are desired. [Full Veto Message.](#)

[SB 1038 cast vote record; public record](#)

Requires the county board of supervisors (county BOS) or officer in charge of elections to transmit the cast vote record to the Secretary of State within 48 hours after the county BOS transmits the county canvass. [Full Bill Summary.](#)

In her veto message, the Governor stated that this legislation would place constitutionally protected voter privacy at risk. [Full Veto Message.](#)

[SB 1040 voter registration rolls; internet access](#)

Requires a county recorder to provide public access to the voter registration rolls by way of an internet portal that allows for the information from the voter registration rolls to be downloaded and prohibits a county recorder from charging a fee to access or download the information. [Full Bill Summary.](#)

In her veto message, the Governor stated that this legislation fails to adequately safeguard voter registration information from being redistributed or posted online and therefore poses risks that the information will be misused or used for commercial purposes. [Full Veto Message.](#)

City Clerk/Elections

Vetoed

[SB 1057 NOW: fraud countermeasures; paper ballots](#)

Requires any vendor that provides fraud countermeasures that are contained in and on paper used for election ballots to be certified by outlined standards and requires such countermeasures to include at least three of the listed features.

[Full Bill Summary.](#)

In her veto message, the Governor stated that she is confident in the ability of Arizona's election officials to administer free and fair elections without added expense and complexity. [Full Veto Message.](#)

[SB 1060 voter registration; temporary absence](#)

Removes the eligibility of certain U.S. citizens who have never resided within the U.S. to register to vote and cast a vote in Arizona by using the federal write-in early ballot. [Full Bill Summary.](#)

In her veto message, the Governor stated that this legislation would prevent U.S. citizens from registering to vote, including the children of Arizona service members born overseas. [Full Veto Message.](#)

[SB 1078 public records; review standards](#)

Deems that the court standard of review for a question of a denial of access to public records, including whether any exception to disclosure applies, is de novo. [Full Bill Summary.](#)

In her veto message, the Governor stated that this legislation is unnecessary and that the courts are capable of addressing issues regarding standards of review. [Full Veto Message.](#)

City Clerk/Elections

Vetoed

[SB 1429 NOW: ballot measures; circulators; disclosure](#)

Applies the strict compliance standard of review to initiatives and referendum for cities, towns and counties and subjects petition circulators to additional requirements. [Full Bill Summary.](#)

In her veto message, the Governor stated that this legislation would further narrow the pathway for citizens' initiatives and referenda at the local level. [Full Veto Message.](#)

[HB 2873 NOW: municipalities; referendum petitions; withdrawal](#)

Authorizes a person or organization that files a referendum petition with a city or town to file a written notice of withdrawal of the referendum petition before the measure qualifies for the ballot. [Full Bill Summary.](#)

In her veto message, the Governor stated that this legislation would introduce uncertainty and confusion into ongoing litigation on the subject matter. [Full Veto Message.](#)

[HB 4056 NOW: legislators; public records; fees; exemptions](#)

Prohibits a legislator from being charged a fee for a public records request and requires the public record to be made available in any format requested by the legislator. [Full Bill Summary.](#)

In her veto message, the Governor stated that this legislation creates a different standard for legislators that weaponizes the public records process when a legislator has a grievance. [Full Veto Message.](#)

[HB 4115 ballot measures; circulators; revenue; disclosure.](#)

Expands applicability of statute regulating circulators and initiative and referendum measures to include municipal and county initiative and referendum measures. [Full Bill Summary.](#)

In her veto message, the Governor stated that this undermines the checks and balances by imposing unrealistic requirements on participants. [Full Veto Message.](#)

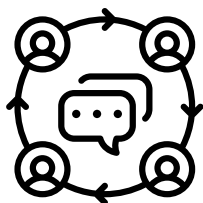

Communications

New Laws

Vetoed

HB 2134 critical infrastructure; foreign adversaries; prohibition Page 15

Communications

New Laws

SB 1167 cities; towns; counties; posting; website - [Chapter 152](#)

Allows a city, town or county to satisfy any statutory requirements for advertising, publishing or printing by posting the public notice on the official website of the city, town or county and the official website of a newspaper that is qualified to publish public notices. Glendale registered in support.

[Full Bill Summary.](#)

Vetoed

[HB 2134 critical infrastructure; foreign adversaries; prohibition](#)

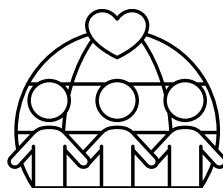

Establishes the *Arizona Critical Infrastructure Protection Act* which prohibits critical infrastructure software and critical communications infrastructure equipment that is produced by a Chinese company, and preempts contracts and agreements that would allow for the access or control of critical infrastructure in Arizona. [Full Bill Summary.](#)

In her veto message, the Governor stated that this legislation imposes costly burdens on critical infrastructure providers and risks creating unintended consequences for Arizona's economy and threatens the stability of critical infrastructures systems. [Full Veto Message.](#)

Community Services

Vetoed

[SB 1002 SNAP; TANF; public welfare; verification](#)

Establishes evaluation and fraud detection requirements for the Department of Economic Security (DES) to confirm eligibility for Supplemental Nutrition Assistance Program (SNAP) benefits. [Full Bill Summary.](#)

In her veto message, the Governor stated that DES has already taken steps to improve the accuracy of SNAP benefit determinations and that the bill would duplicate these efforts and disrupt agency operations. [Full Veto Message.](#)

[SB 1331 SNAP; mandatory employment and training](#)

Requires DES to require able-bodied adults under 60 years old who are receiving SNAP benefits to participate in a mandatory employment and training program, as prescribed by federal law, unless the recipient meets criteria for exemption. [Full Bill Summary.](#)

In her veto message, the Governor stated that DES has already taken steps to improve the accuracy of SNAP benefit determinations and that the bill would duplicate these efforts and disrupt agency operations. [Full Veto Message.](#)

[SB 1334 SNAP; work requirement waivers; exemptions.](#)

Prohibits the DES from seeking, applying for, accepting or renewing any waiver of work requirement under SNAP for able-bodied adults without dependents unless it is required by federal law or authorized by state law. Prohibits DES from exercising the option to provide exemptions from the SNAP work requirement unless authorized by state law. [Full Bill Summary.](#)

In her veto message, the Governor stated that DES has already taken steps to improve the accuracy of SNAP benefit determinations and that the bill would duplicate these efforts and disrupt agency operations. [Full Veto Message.](#)

Community Services

Vetoed

[HB 2028 NOW: homelessness; indigence; community restitution](#)

Allows the court to order a person who is indigent and experiencing homelessness to perform mandatory community restitution in lieu of paying the \$20 assessment that is collected for certain violations and deposited into the Judicial Collection Enhancement Fund. [Full Bill Summary.](#)

In her veto message, the Governor stated that this legislation is poorly drafted and creates unintended consequences for homeless defendants. [Full Veto Message.](#)

[HB 2113 public service corporation; rates; intervenor](#)

Requires the Director of the Residential Utility Consumer Office to intervene in a public service corporation rate case if the impact of the public service corporation's proposed rate increase to residential customers is 100% or more. [Full Bill Summary.](#)
In her veto message, the Governor stated that she is supportive of the underlying policy, but without the additional funding secured, this legislation would threaten the agency's ability to effectively represent residential ratepayers. [Full Veto Message.](#)

[HB 2206 SNAP; error rate; forensic audit](#)

Requires the Department of Economic Security (DES), by December 30, 2030, to reduce the SNAP payment error rate to no more than 3%. [Full Bill Summary.](#)
In her veto message, the Governor stated that DES has already taken steps to improve the accuracy of SNAP benefit determinations and that the bill would duplicate these efforts and disrupt agency operations. [Full Veto Message.](#)

[HB 2396 SNAP; allowed purchases; waiver](#)

Requires the Director of DES to request a waiver from the U.S. Department of Agriculture granting the authority to restrict the purchase of specified noneligible foods using SNAP benefits. [Full Bill Summary.](#)
In her veto message, the Governor stated that this legislation would deprive Arizonans of receiving SNAP benefits of the dignity and economic freedom enjoyed by other grocery shoppers. [Full Veto Message.](#)

Establishes the *Secure Telecommunications Act of 2026* which prohibits, and requires the removal and replacement of, any critical telecommunications infrastructure that uses equipment manufactured by a foreign adversary, requires telecommunications providers to certify compliance and prescribes a civil penalty for noncompliance. [Full Bill Summary.](#)

In her veto message, the Governor stated that this legislation's broad language would create undue difficulty for the business community and generate cost to taxpayers. [Full Veto Message.](#)

[SB 1332 light rail expansion; participation; prohibition](#)

Requires the Auditor General to conduct a comprehensive feasibility review of light rail expansion in Maricopa County. [Full Bill Summary.](#)

In her veto message, the Governor stated that this legislation is a costly and unnecessary measure that overlooks the unique benefits of all transportation modes. [Full Veto Message.](#)

Transportation

Vetoed

[SB 1511 NOW: nondomiciled commercial drivers license; validity](#)

Prohibits a commercial motor vehicle operator who is issued a nondomiciled commercial driver license from operating in Arizona without evidence of lawful immigration status or lawful presence in the United States, prescribes penalties for failing to provide evidence that may include placing the driver out-of-service and impounding the vehicle and its cargo, and outlines procedures for out-of-service orders, the retrieval of impounded vehicles and cargo and the payment of related charges and fees. [Full Bill Summary](#).

In her veto message, the Governor stated that this legislation is unnecessary and redundant. [Full Veto Message](#).

[SB 1549 ultralight vehicles; definition](#)

Provides criteria for *ultralight vehicle* that include a vehicle that is used or intended to be used for manned operation in the air by a single occupant and other specified criteria. Modifies the definition of *advanced air mobility* to include an ultralight vehicle. [Full Bill Summary](#).

In her veto message, the Governor stated that this legislation falls short in including federal safety standards for operating “ultralight vehicles.”

[Full Veto Message](#).

[HB 2305 private towing carriers; regulation; rates](#)

Requires counties, cities and towns to adopt standard fees and charges for towing from private properties by private towing carriers based on the market standards or the Department of Public Safety (DPS) tow service agreement as outlined. [Full Bill Summary](#).

In her veto message, the Governor stated that she already signed a bill that created a study committee within DPS to examine towing and impoundment practices for public property. [Full Veto Message](#).

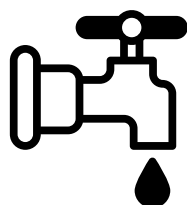

Water

New Laws

SB 1335 NOW: groundwater savings credits; irrigation – [Chapter 223](#)

Requires the Arizona Water Banking Authority Commission to post a copy of its annual report on the Commission's website. [Full Bill Summary.](#)

SB 1448 aggravated assault; utility workers – [Chapter 177](#)

Expands the *aggravated assault* definition to include assaults committed against an employee of a utility, public utility, a licensed telecommunications provider, or a licensed video service provider while engaged in the employee's work duties.

Glendale registered in support. [Full Bill Summary.](#)

SB 1560 cap; water supply development fund – [Chapter 233](#)

Increases the cap from \$3,000,000 to \$20,000,000 for a single loan for loans that are made from monies in the Water Supply Development Revolving Fund to eligible entities for water supply development projects within Arizona. [Full Bill Summary.](#)

HB 2029 water conservation grant fund; disclosure – [Chapter 35](#)

Requires Central Arizona Project (CAP) subcontractors that apply to the Water Infrastructure Finance Authority's (WIFA) Water Conservation Grant Fund to include projected water savings, type of water the project will save, estimated savings for surface or groundwater, and the use plans for the water saved.

[Full Bill Summary.](#)

HB 2096 forgivable financial assistance; cesspool remediation – [Chapter 80](#)

Authorizes counties to apply for and receive financial assistance from WIFA for the remediation, closure or replacement of cesspools that present a demonstrated risk to surface water, groundwater or public health. Required WIFA to provide an annual report on the number of cesspools that have been remediated or replaced, the total amount of financial assistance awarded, and recommendations for improving this effort. [Full Bill Summary.](#)

Water

New Laws

HB 2098 county water augmentation authorities; bond - [Chapter 42](#)
Expanded the Pinal County Water Augmentation Authority's (PCWAA) powers to issue revenue bonds to acquire or construct infrastructure such as recovery wells, storage projects, and water and wastewater treatment plants. PCWAA could also use bonds to acquire water and rights to water. It additionally outlines the process PCWAA's Board must follow to secure bonds.

[Full Bill Summary.](#)

HB 2641 PFAS; firefighting foam; prohibition - [Chapter 103](#)
Effective January 1, 2029, prohibits a person, local government or state agency from discharging or using class B firefighting foam that contains intentionally added PFAS chemicals for any purpose, unless required by federal regulation.

[Full Bill Summary.](#)

Effective January 1, 2029.

HB 2756 utilities; high load factor customers - [Chapter 111](#)
Requires public power entities and public service corporations in Arizona to file semiannual reports relating to new extra high load factor customers and outlines exemptions, rulemaking, and reporting requirements. [Full Bill Summary.](#)

HB 2946 municipalities; counties; development fees - [Chapter 121](#)
Prohibits cities from basing single-family development fees on home size or bedroom count unless those fees already exist if and when the law takes effect. The bill caps ADU-related fees at 25%, applies a 24-month freeze to new or increased development fee ordinances, and restricts water/wastewater fee increases after 2026 unless growth related fees are adopted for the portion funding capital improvements. [Full Bill Summary.](#)

Water

New Laws

HB 2986 department of environmental quality; programs - [Chapter 209](#)

Modifies various areas of statute that relate to the Arizona Department of Environmental Quality (ADEQ) and its programs. There is a portion of the bill that expands an existing exemption from ADEQ plan review requirements for certain minor public water system projects by adding a new exemption for revisions or modifications to existing water lines or valves, so long as the replacement has the same capacity, performance and function and it remains within the same right-of-way or easement. It further redirects existing in lieu fees contributions to the solid waste fee fund instead of the recycling fund for services provided outside city and town boundaries. [Full Bill Summary.](#)

HB 2999 NOW: infrastructure finance districts - [Chapter 123](#)

Allows real property owners to petition the Arizona Finance Authority, until June 30, 2036, to establish a state affordability infrastructure district (district) that is managed by a district board comprised of real property owners in the district and allows a district to issue and sell bonds and levy taxes and assessments. Outlines procedures for district formation petitions, elections, financing, public hearings, governance, powers, dissolution, property disclosures and public infrastructure project review. [Full Bill Summary.](#)

Water

Vetoed

[SB 1202 supply and demand; assessment; groundwater.](#)

Requires water supply and demand assessments issued by the Arizona Department of Water Resources (ADWR) to contain certain information, including changes in the average depth-to-static water level, depth-to-bedrock level, location and distribution of index wells, total volume of groundwater available, and the impact of any stormwater recharge projects.

[Full Bill Summary.](#)

In her veto message, the Governor stated that this legislation imposes an unfunded mandate and attempts to undermine existing water protections laws.

[Full Veto Message.](#)

[SB 1445 water quality; testing; on-site](#)

Allows a city or a town with a population between 1,000 and 9,999 persons, for aquifer protection permits issued to the city or town, to test bacteriological samples on-site with approved testing equipment. [Full Bill Summary.](#)

In her veto message, the Governor stated that this legislation undermines water quality oversight standards. [Full Veto Message.](#)

[HB 2026 assured water supply; commingling](#)

Allows the Director of the ADWR, for the purpose of determining whether sufficient groundwater, surface water or effluent of adequate quality will be continuously available to satisfy the water needs of the proposed use, to consider only the proposed source or sources of the supply dedicated to the proposed use regardless of whether the water is distributed through a water delivery system that is commingled with other sources of water supply.

[Full Bill Summary.](#)

In her veto message, the Governor stated that this legislation would undermine Arizona's 100-year Assured Water Supply Program. [Full Veto Message.](#)

Vetoed

[HB 2055 brackish groundwater recovery program](#)

Establishes the Brackish Groundwater Recovery Program Fund. Requires WIFA to administer the Brackish Groundwater Recovery Program and establish minimum criteria for choosing and evaluating outlined projects. [Full Bill Summary.](#)

In her veto message, the Governor stated that this measure diverts funding intended to develop new water sources for Arizona's future to groundwater extraction proposals that are currently eligible for other funding programs.

[Full Veto Message.](#)

[HB 2100 small land subdivision; requirements](#)

Allows a county board of supervisors to adopt ordinances and regulations that allow small land subdivisions of 6 to 10 lots or parcels for parcels that are two acres or more in size and not subject to an assured water supply requirement or a mandatory adequate water supply requirement. [Full Bill Summary.](#)

In her veto message, the Governor stated that Arizonans are being harmed by wildcat development and rural groundwater depletion. [Full Veto Message.](#)

[HB 2102 domestic water improvement districts; hauling](#)

Allows a county improvement district that is formed in a subsequent active management area (AMA) or in a groundwater transportation basin or subbasin, for the purpose of delivering water through water hauling, to exercise the power of eminent domain only for the limited purpose of acquiring or otherwise securing a site in the subsequent AMA or groundwater transportation basin or subbasin for the construction of and legal access to a single well and a standpipe to produce water and make water available at the site for delivery through water hauling. [Full Bill Summary.](#)

In her veto message, the Governor stated that making statutory tweaks to emphasize water hauling as the solution to rural Arizona's water challenges does not provide for meaningful reforms to secure water for future generations.

[Full Veto Message.](#)

Vetoed

[HB 2103 water improvements program; water hauling](#)

Modifies the requirements of a water improvements program by allowing persons to make gifts, grants or donations for the purpose of providing financial assistance to qualified owners of residential real property for water hauling, water delivery and by allowing a county with a water improvements program to use the collections from groundwater transportation fees only for qualified owners of residential property who reside within the groundwater transportation basin. [Full Bill Summary.](#)

In her veto message, the Governor stated that this legislation does not do enough for rural groundwater protection. [Full Veto Message.](#)

[HB 2134 critical infrastructure; foreign adversaries; prohibition](#)

Establishes the *Arizona Critical Infrastructure Protection Act* which prohibits critical infrastructure software and critical communications infrastructure equipment that is produced by a Chinese company, and preempts contracts and agreements that would allow for the access or control of critical infrastructure in Arizona. [Full Bill Summary.](#)

In her veto message, the Governor stated that this legislation imposes costly burdens on critical infrastructure providers and risks creating unintended consequences for Arizona's economy and threatens the stability of critical infrastructures systems. [Full Veto Message.](#)

[HB 2985 CAP water; state land; allocation](#)

Requires the Arizona State Land Department (ASLD), within 120 days of the general effective date, to initiate a public stakeholder process to adopt a procedure for allocating outlined CAP water that is currently allocated to the ASLD to parcels of state trust land that may be sold or leased. [Full Bill Summary.](#)

In her veto message, the Governor stated that the ASLD already has a statutorily prescribed process for the allocation of CAP water. [Full Veto Message.](#)
