

Sign Square Post Standard

DETAIL #: **SS-122**

City of Glendale
Transportation Department
6210 W. Myrtle Ave
Glendale, AZ 85301
www.glendaleaz.com

- Refer to City of Glendale Standard "SS-131" Square Sign Post Foundation Details.
- All telescoping perforated square tubing shall be galvanized conforming to American Society for Testing and Materials International (ASTM) specification A-653 des. G-90.
- Underground utility locating is required at ALL locations before digging. Please call Arizona 811 (formerly known as Arizona Blue Stake).
- All sign bases may be installed using on of the following two (2) options (see COG Standard SS-131):
 - 1.) Hydraulic post pounder, in dirt landscape.
 - 2.) Concrete foundation - the base/sleeve shall be lined with duct tape for ease of future sign post repairs.
