

FREE WATER CONSERVATION SHOW FOR GRADES K-3

Shows are first-
come, first served!

Zoner and the Drip have a very busy tour schedule this school year and they want to perform for your school. This lively puppet show is for **grades K-3**, only. Zoner and the Drip spread the word about conserving water while entertaining children and adults. **This FREE educational program is brought to you by the city of Glendale Conservation and Sustainable Living Office.** For more information about the puppet show or water conservation education, please contact Litzzy Hernandez Cota, Water Conservation Specialist at (623) 930-3535 or

LCota@glendaleaz.com

How can you bring Zoner and Drip to your school?

- 1) Complete the form below and **fax or email** it to (602) 262-2330 or info@azpuppets.org. To follow up with show confirmations, call the Great AZ Puppet Theater at (602) 262-2050
- 2) Submit your form by **April 23rd, 2027**. (The number of shows is limited, so all shows are on a first-come, first-served basis. Please reserve your show a week or more in advance).
- 3) The Great Arizona Puppet Theater will contact you to finalize your schedule.

There are a few things to consider when scheduling your in-person show(s):

- Limit the size of audience to **no** more than 80 students (**no exceptions**).
- Limit of 3 performances per school.
- Allow 50 minutes for each show and 10 minutes between shows.
- No more than a 2-hour gap between shows.
- A space 8 feet wide and 10 feet deep is needed for the stage.
- Please do not ask the puppeteer to move once they are set up.
