GLENDALE MARKET DESTROYED BY FIRE RULED ACCIDENTAL

Glendale, Ariz. — On July 14th at approximately 1030 p.m., a fire broke out at small commercial business in Glendale. Glendale, Phoenix and Peoria Firefighters arrived on scene within minutes to find a well involved building fire. The fire originated in the cashier area of this small, secured, market after hours.

The fire quickly spread throughout the store and was prevented from extending to two other businesses in this building due to a fire wall. The market was a total loss. Several families were displaced in a nearby trailer park because of smoke damage and floating embers.

Gilbert Fire Department's accelerant dog assisted in the investigation along with the Bureau of Alcohol, Tobacco and Firearms.

The fire grew to a 2nd alarm with approximately 100 firefighters on scene. Glendale Fire Department Crisis Response unit assisted families with relocation and no injuries were reported.
