## GET OUT THE BAT AND GLOVE FOR FALL SOFTBALL

**Glendale, Ariz.** — If you love the crack of the bat and red dirt flying, sign up your team for Glendale's fall softball league. This session begins the last week of September.

The fall adult league organizational meeting will be held Monday, Sept. 10, and information provided will include league format, rule changes and registration requirements. Teams represented by a manager or team player during the entire meeting will receive a \$50 off coupon for the league sign up fees.

Available leagues include Men's C and D divisions, along with Coed B/C and C/D. Teams play a double-header format, one night a week at the Foothills Sports Complex, 19070 N. 57th Ave., or the Sahuaro Ranch Sports Complex, 63rd Ave & Mountain View Rd. Team trophy and shirts are awarded to first place teams and a team trophy for runner-up and 3rd place teams. Team members must be at least 18 years old.

League sign up will begin Tuesday, Sept. 11. Registration packets will be available then at the Glendale Parks and Recreation office, 5850 W. Glendale Ave. Returning team registration packets are due back Sept. 11-14 in the office. New team registration packets are due back Sept. 13 with the new team lottery held on Sept. 15.

The registration fees are \$505 for returning and Glendale resident teams, \$505 for new Glendale resident teams and \$595 for new non-resident teams. To be considered a Glendale resident team, teams must have a minimum of four residents on their roster and provide proof. Fees include double-header, 14-game regular season and a single-elimination tournament, along with softball, lights, awards, officials and staff.

Glendale Parks and Recreation does not place individuals on teams, but individuals may be listed on a Free Agent List made available to teams short on players. If you would like to be placed on the Free Agent List or have any questions about the adult softball leagues, please contact Mike Davis at 623-930-2841 or [mdavis@glendaleaz.com](mailto:mdavis@glendaleaz.com).
