GLENDALE SEEKING COMMENTS ON TEMPORARY ARCHERY RANGE AT PUBLIC MEETING AND ARCHERY DEMONSTRATION

Glendale, Ariz. — With the help of the popular “Hunger Games” books and movies, the sport of archery is seeing a renewed interest with people. Archery enthusiasts and clubs have expressed an interest in Glendale creating a temporary archery range at Glendale Heroes Regional Park, 8300 W. Bethany Home Rd. To find out the public’s interest and level of support for this venture, Glendale Parks and Recreation staff will be holding a public meeting and a public archery demonstration/open house.

The public meeting will be held at 6 p.m., Wednesday, Jan. 22 at the park’s X-Court building. The meeting will include a review of the park’s conceptual master plan, a review of the proposed location of a temporary archery range in the park and a short presentation of archery. Additionally, public questions and comments will be answered and addressed. This is an informational meeting to hear from the public.

In addition, a public archery demonstration and open house will be held at the proposed location for the temporary archery range at the park at 11 a.m., Saturday, Jan. 25. For approximately two hours the public is invited to see demonstrations of the sport and archery professionals in action. The proposed archery range location and size will be marked, so the public can get an idea of the scope of the proposed temporary facility. USA Archery Arizona will bring in archery experts, and Corner Archery, a local archery shop, will have representatives present. A question and answer session will be held, and public comments will be accepted as well.

For more information about the proposed project, call 623-930-4334.
