## INTERACTIVE BASKETBALL CLINIC OPEN TO AGES 6-15

**Glendale, Ariz.** — Children who would like to increase their skills in basketball or are just starting to learn the game will gain valuable knowledge while having fun during basketball clinics offered by the Glendale Parks, Recreation & Library Services department.

Basic fundamentals of shooting, ball handling, offense and defense will be covered along with intramural games. Children will interact with other participants and the instructor during skills practice and games, providing many opportunities to learn from each other and learn sportsmanship.

Two clinics are available: ages 6-8 and ages 9-15. The clinics last one hour and are held on Tuesdays beginning Sept. 4, for eight weeks, at the Foothills Recreation & Aquatics Center gym, 5600 W. Union Hills Dr. Ages 6-8 will meet at 4:30 p.m. and ages 9-15 at 5:45 p.m.

The price is \$40 per participant (\$48 for non-Glendale residents). Preregistration is required. To register, visit [www.glendaleaz.com/parksandrecreation](http://www.glendaleaz.com/parksandrecreation) or call 623-930-4600. For more information, call 623-930-4613.
