VELMA TEAGUE BRANCH LIBRARY FEATURES “CAREER CHOICES: DENTAL ASSISTANTS AND HYGIENISTS”

Glendale, Ariz. — Those people looking for a new career or teens just starting to think about what type of work they would like to do can gain valuable information at the Career Choices: Dental Assistants and Hygienists presentation to be held at 6:30 p.m., Monday, Oct. 21 at the Velma Teague Branch Library, 7010 N. 58th Ave.

Second in a series of panels focused on future career choices, this one-hour session will feature dental professionals discussing their education and employment experiences. As healthcare employment is projected to steeply increase over the next decade, this is an opportunity to learn about these in-demand professions.

A question and answer session with the dental professionals will follow the program.

Teens and adults of all ages are welcome. The event is free and open to the public, and no registration is required. For more information, call 623-930-3431 or visit www.glendaleaz.com/library.
