**WRESTLEMANIA & CONCERT TRAFFIC/PARKING INFORMATION –  
SUNDAY, MARCH 28**

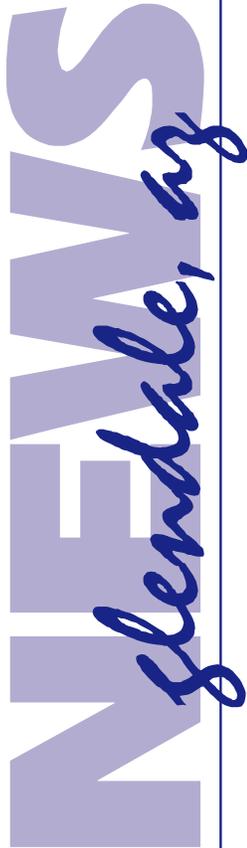

**GLENDALE, Ariz.** -- Residents, *WrestleMania* fans, concertgoers and commuters are being advised of heavy traffic along the Loop 101 from Northern Avenue to Camelback Road in the afternoon and early evening of Sunday, March 28. Heavy traffic is also predicted on the surface streets surrounding Glendale's Sports and Entertainment District. The traffic increase will be due to the WWE's *WrestleMania XXVI*® being held at the University of Phoenix Stadium and the Paul McCartney concert at Jobing.com Arena occurring simultaneously.

*WrestleMania* ticketholders are encouraged to purchase parking passes in advance of event day. Information and a link to purchase parking passes can be found at [www.glendalesgotgame.com](http://www.glendalesgotgame.com). Attendees are being asked to plan ahead and be aware of traffic restrictions in the area. Please note that 95<sup>th</sup> Avenue west of the stadium and Maryland Avenue between 93<sup>rd</sup> and 95<sup>th</sup> Avenues will be closed to public traffic to safely move pedestrians in the area. Additional event, parking and traffic information can be found at [www.glendalesgotgame.com](http://www.glendalesgotgame.com).

The city of Glendale has partnered with ADOT to ensure a smooth traffic flow on March 28. Visitors are encouraged to call 511 for updated traffic information and to follow traffic signs for directions. Glendale Police will be directing traffic to establish a safe and steady traffic flow.
