GLENDALE TRAFFIC ALERT SUNDAY DEC. 6

GLENDALE, Ariz. -- Residents, Cardinals fans, Arena concertgoers and regular Loop 101 commuters are being advised of heavy traffic expected on the Loop 101 from Northern Avenue to Camelback Road in the afternoon and early evening on Sunday, Dec. 6, due to a concert at Jobing.com Arena and an Arizona Cardinals game at University of Phoenix Stadium occurring simultaneously.

Heavy traffic is also predicted on the surface streets surrounding the Sports and Entertainment District.

Maps of parking lots and traffic routes are available on Glendale's sports and information Web site www.glendalestogame.com.

To safely move pedestrians in the area, 95th Avenue west of the stadium and Maryland Avenue between 93rd and 95th Avenues will be closed to vehicle traffic.

The city of Glendale has partnered with ADOT to ensure a smooth traffic flow for the stadium's events. Visitors are encouraged to call 511 for updated traffic information.

Glendale Police will be directing traffic to establish a safe and steady traffic flow. Follow traffic signs for directions.
