**NEW TV SHOW FEATURES**  
**“GLENDALE’S HOME GREEN HOME”**  
*Arizona’s First Affordable Platinum Green House*

**GLENDALE, Ariz.** –As the holidays grow near, TV viewers in Glendale can watch a true “miracle on 54<sup>th</sup> Avenue” as the Acosta family receives a newly constructed, healthy, green home from Habitat for Humanity Central Arizona.

Glendale 11, the city of Glendale’s TV station, documents the Acosta’s transformation from living in public housing to helping build their own Habitat home. “Glendale’s Home Green Home” premieres at 7:30 p.m. Friday, Dec. 12.

Viewers will learn about the national rating system used to label this house at the highest level -- “platinum” -- by environmental builders.

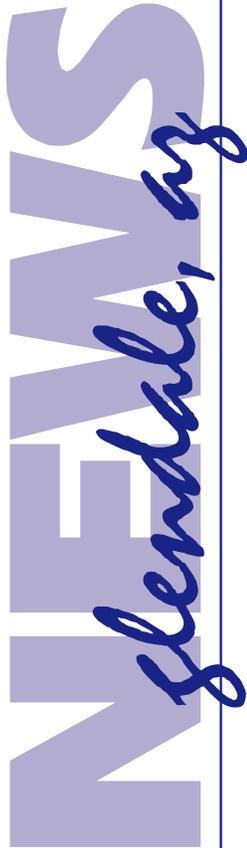

Glendale’s Community Revitalization Division used federal funds to acquire the lot and then partnered with Habitat to build the home. The Acosta family benefits from an interest-free mortgage, as well as lower utility costs because of the environmentally friendly techniques and materials used to build the home.

For more information on programs offered by Glendale’s Community Revitalization Division, call (623) 930-3670.

Emmy-Award winning Glendale 11 airs on Cox and Qwest Channel 11, 24 hours a day, seven days a week. Glendale 11’s TV guide can be found at
