## **GLENDALE 11 SOARS WITH NEW AIRPORT SHOW**

**GLENDALE, Ariz.** – Fasten your seatbelts for a first-class flight as Glendale 11 takes viewers through the “Gateway to Glendale,” an in-depth look at the Glendale Municipal Airport.

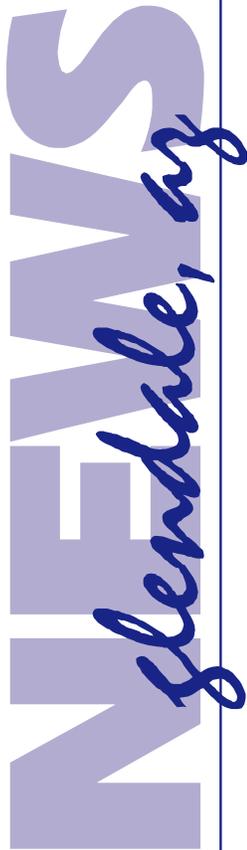

The 30-minute program shows the many benefits the airport brings to the city in the areas of community and economic development. With the airport’s proximity to the Sports and Entertainment District, many people have enjoyed flying into the Glendale Municipal Airport to catch one of the high-profile games and concerts that take place at the arena and stadium.

Local aviation enterprises are highlighted in this program to show the diversity and value they bring to the business community. Some of these businesses include Air West Helicopter, Lux Air, which is the airport’s fix based operator (a concierge-type service) and a growing number of corporate jet clients.

The restaurant in the airport hanger is another favorite among the local aviation community, along with residents and visitors. The Flying Skillet offers customers great homemade food with a front row seat to the airport’s takeoffs and landings.

“Gateway to Glendale” will debut on Thursday, July 23 at 8 p.m. The show will regularly be aired every Thursday at 8p.m., as well as various times throughout the week.

Emmy Award-winning Glendale 11 airs on Cox and Qwest Channel 11 and streams live online at [www.glendaleaz.com](http://www.glendaleaz.com), 24 hours a day, seven days a week.
