### **VALLEY-WIDE PROJECT SEEKS APPLICANTS, VOLUNTEERS TO PAINT HOMES**

**GLENDALE, Ariz.** – Are you a homeowner of a single-family residence who is physically unable to paint your home? If so, the Rock & Roll Paint-A-Thon program may be able to help. The program is a community-based effort designed to paint homes of applicants who are 60 years of age or older and/or have a permanent disability, limited financial resources and are unable to do the work themselves.

Glendale residents who match the above criteria are encouraged to apply for the program by Sept. 17. Applications are available in Spanish and English by calling Rebuilding Together at 480-774-0237 or on-line at:

[www.rebuildingtogetherphx.org](http://www.rebuildingtogetherphx.org)

For residents who want to help paint the homes, Glendale’s Community Volunteer Program will participate in the Saturday, Oct. 27 *Rock & Roll Paint-A-Thon*, coordinated by Rebuilding Together. Residents can form their own team or contact the Community Volunteer Office to become apart of another team. The deadline for forming a volunteer team is Oct. 8.

It is expected that teams of volunteers will sign up to paint more than 150 homes across the state. Volunteers from families, businesses, churches, schools, social service and civic groups will participate in the program.
