**ROCK & ROLL PAINT-A-THON SEEKS APPLICANTS,
VOLUNTEERS TO PAINT HOMES THIS FALL**

GLENDALÉ, Ariz. – Are you a homeowner of a single-family residence who is physically unable to paint your home?

Then the Rock & Roll Paint-A-Thon program may be able to help. The program is a community-based effort designed to paint homes of applicants who are 60 years of age or older and/or have a permanent disability, limited financial resources and are unable to do the work themselves.

Glendale residents who match the above criteria are encouraged to apply for the program to paint their home by September 1, 2009. Applications are available in Spanish and English by calling Rebuilding Together at 480-774-0237 or on-line at: www.rebuildingtogetherphx.org.

Residents who want to help paint the homes on Saturday, Oct. 24 in the sixth annual Wells Fargo Rock & Roll Paint-A-Thon, should form a team of volunteers consisting of 15 to 25 people. Volunteer applications are due by September 1, 2009 and are available by calling Rebuilding Together at 480-774-0237 or on-line at: www.rebuildingtogetherphx.org.

Volunteers from families, businesses, churches, schools, social service and civic groups will participate in the program. All volunteers must be at least 14-years old and those under 18 must have a signed parent-permission form.

It is expected that teams of volunteers will sign up to paint more than 150 homes across the state. Last year 154 homes and four community centers were painted during the one-day event, including homes in Glendale. Only single-family, owner-occupied residences will be painted. Homes must be in sufficient condition that scraping and spot priming are the only preparations needed.

If you or a group would like to sign up to volunteer to paint a home in Glendale, please contact Rebuilding Together at 480-774-0237.
