IMPORTANT TRAFFIC INFORMATION FOR UPCOMING CARDINALS GAME

GLENDALE, Ariz. – Football fans need to be aware of suggested routes and important traffic information that will help make this year’s Cardinals season a success off the field.

Season ticket holders have received parking passes from the Arizona Cardinals with specific parking and traffic instructions. Again this year, maps to the assigned parking lots are printed on the back side of parking passes.

Here is new information that fans need to be aware of for this season.

Important changes include the following:

- Parking for single game ticket holders is at Kellis High School lot, located on the east side of 91st Avenue just north of Orangewood Avenue. Similar to last season, a free shuttle service will run between the high school and the stadium beginning two hours before game time and ending one hour following the game.
- Last year’s Brown Lot, which is south of Kellis High School will now be used for permitted parking only.
- The North ramps at Bethany Home Road and Loop 101 are now open.
- After the game, there will be reversible lanes on Maryland, west of 95th Ave. Four of the five lanes will be dedicated to westbound traffic only.

“Fans should arrive early and plan out a route prior to arriving,” said Glendale Senior Principal Traffic Engineer Debbie Albert. “Also, fans should not assume that the only approach to the stadium is to exit Glendale Ave. or Bethany Home Rd., but that there are other options such as Northern and Camelback Road that will allow people to gain

access to the area.”

To safely move pedestrians in the area, 95th Avenue west of the stadium and Maryland Avenue between 93rd and 95th Avenues will be closed to vehicle traffic.

The city of Glendale has partnered with ADOT to provide real-time traffic information, and fans are encouraged to call **511** for updated traffic information.

Glendale Police will be directing traffic to establish a safe and steady traffic flow. Follow traffic signs for direction.
