## CITY COURT INTRODUCES NEW AUTO PAYMENT OPTION

**GLENDALE, Ariz.** – The Glendale City Court now offers an Auto Payment option for defendants to pay any fees or fines with the court. This new option is offered to improve the process of paying fees in a timely manner, and benefits patrons who won't have to worry about late fees if the due date is forgotten.

The Automatic Payment is set up for customers to provide a credit or debit card so that the court can automatically charge when the next payment is due. Defendants will no longer have to come down to the court, call in, or go online every month to make payments. This will simplify the process and reduces the frequency of late fees. To set up the auto pay option, patrons must fill out an Automatic Reoccurring Billing Authorization form (ARB). The form can be obtained at the City Court or online at <http://www.glendaleaz.com/court/Forms.cfm>.

The form is to be filled out with a signature and submitted to the court for authorization. Once it is activated patrons will be notified every time a payment is posted. If patrons decide to cancel this option, it can be done over the phone or in person at the court.

For more information about this new process or other City Court issues, call 623-930-2400 or visit <http://www.glendaleaz.com/court>.
