GLENDALE COLLECTS CELL PHONES IN HONOR OF NATIONAL RECYCLING DAY

GLENDALE, Ariz. – Clean out the drawers for those old cell phones! In celebration of National Recycling Day Nov. 15, the city of Glendale has developed a special cell phone-recycling program, which will run Wednesday, Nov. 15 through Sunday, Nov. 19.

The public is encouraged to drop old cell phones off at Jobing.com Arena at Gate 3 on the Northwest corner of the building or at any of Glendale's three public libraries.

After the cell phone collection, the West Valley Advocacy Center will collect and arrange the phones for recycling. Once the cell phones are refurbished, the phones will become available for victims of stalking and domestic violence.

It is important to note that the city of Glendale does not recycle cell phones through its traditional recycling program.

According to the Cellular Telecommunications and Internet Association, cell phones are replaced approximately after 18-months of use. It was estimated that 130 million phones were disposed in 2005. With toxic elements found in cell phones, it is important to keep cell phones out of landfills.

America Recycles Day was created to raise awareness of recycling and promote the environmental benefits of recycling.

Photo Op: We are inviting media to the Glendale Materials Recovery Facility to check out the dos and don'ts of recycling from 10 a.m. to 2 p.m. on Wednesday, November 15. There will be a display of the top 10 wackiest items collected from curbside recycling. The MRF is located at 11480 W. Glendale Ave. (North of Glendale Airport and East of Agua Fria River).
