## FREE GREEN-LIVING CLASSES FOR GLENDALE RESIDENTS

**GLENDALE, Ariz.** – Just in time for summer, Glendale’s Conservation and Sustainable Living Program offers timely classes on energy efficiency and water-efficient landscaping.

The Simple Savings energy classes will provide Glendale residents with free devices to improve energy efficiency in their homes, including a programmable thermostat, 4-pack of CFL’s, and a high-efficiency showerhead. The energy-saving devices are funded by the Energy Efficiency and Conservation Block Grant Program. These are being offered:

- Thursday, May 10 at 6 p.m. - Glendale Main Library, 5959 W. Brown St.
- Tuesday, June 5 at 6 p.m. - Foothills Library, 19055 N. 57<sup>th</sup> Ave.

The Watering Your Landscape class provides hands-on instruction on how long and how often to run your water system. Participants gain practice setting actual irrigation timers. This class will be held:

- Tuesday, May 22 at 6 p.m. - Glendale Main Library, 5959 W. Brown St.

While the classes are free, pre-registration is required. All members of the public are welcome to attend, although energy-saving devices are available for Glendale residents only. To register for the free classes, call 623-930-3760.
