GLENDALE CIVIC CENTER TAKING RESERVATIONS FOR HOLIDAY PARTIES

GLENDALE, Ariz. –The Glendale Civic Center is decking its halls for holiday parties and is ready to create memorable events for groups of all sizes. The venue has the perfect festive backdrop for guests thanks to the 1.5 million twinkling lights just outside the Civic Center as the historic downtown is lit up for the city’s Glendale Glitters festival season.

Creative and cost-effective options are available, including catering, music, themes and decorations. Companies and private parties can choose from an array of choices from renting the large ballrooms to hosting an intimate gathering for employees. Other practical options for employers include celebrating with staff at an employee breakfast or lunch. In addition, groups such as clubs, associations and friends and family gatherings are welcome to rent the facility for private events.

“Watching the bottom line is important to everyone these days, and our intent is to create a memorable and cost-effective event for guests where they can use our facility and then enjoy the beautiful lights in the downtown,” said Marty Brown, Acting Manager for the Glendale Civic Center. “For companies, holiday parties are considered special events, which are an asset to creating a positive, inspiring working environment for employees. That morale boost is something we take to heart in planning these parties.”

Several groups have made early reservations, but more room is available.
