## ONE-STOP INFORMATION ON GLENDALE

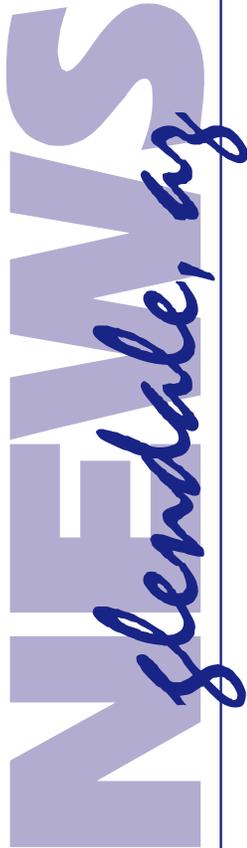

**GLENDALE, Ariz.** – Looking for the best parks to visit, helpful neighborhood programs or cool family events in Glendale? Look no further than the 2008/2009 Official Residents Guide, which gives residents the answers they want one page at a time.

More than 45,000 guides were printed in partnership with Republic Custom Publishing. Copies of the 22-page residents guide are available at the Glendale Visitor Center and all three Glendale libraries. In addition, 25,000 guides will be inserted in *The Arizona Republic* in Glendale zip codes.

The Official Residents Guide features information on neighborhood amenities and important community services; locations for Glendale's parks and libraries; and a comprehensive phone directory. The guide will also help families plan fun events through 2009 with dates and family activities listed, including the city's signature festivals, such as the immensely popular Glendale Glitters and the Chocolate Affaire.

"The guide is designed to serve as a roadmap to all the city amenities and services, but it also is an important piece to people who are relocating to Glendale or are visiting the city to learn more about what Glendale has to offer," says Lorraine Pino, tourism manager.
