## GLENDALE FIRE PIO HAS NEW PHONE NUMBER

**Glendale, Ariz.** — The Glendale Fire Department’s PIO division has a new number through Google Voice for media inquiries and will no longer be utilizing a pager system. This change will be effective immediately. The new number is 602-845-0228. Our goal is to return the media’s calls as quickly as possible but there are times when the on-call P.I.O. is on shift at the fire station and may be actively working on an emergency scene therefore delaying his or her response time to your phone calls. Thank you for your understanding.
