HISTORIC PARK UNIQUE LOCATION FOR FAMILY OR BUSINESS EVENTS

Glendale, Ariz. — Wedding receptions, company retreats, business meetings and seminars, retirement parties, proms, family reunions and more will be even more memorable and enjoyable held at a unique and beautiful location.

The Sahuaro Ranch Park Historical Area has multiple venues, indoor and outside, that provide a special touch of atmosphere to any personal or business event. The ranch was built in the late 1800s and its historic buildings and grounds offer a great escape from the usual. With 17 acres, one feels far away from the hustle and bustle of the city making it a perfect retreat and very impressive to attendees.

The prices for rentals are very affordable too, and discounted rates are available for reservations held Monday through Thursday.

With the Valley of the Sun's weather perfect in the fall and spring, now is the time to make reservations for a gathering. For information on rentals at the Sahuaro Ranch Park Historic area, visit
