## HELPFUL PARK USERS GETTING “CAUGHT” IN GLENDALE

**Glendale, Ariz.** — Pick up litter in a Glendale park, get a free Sonic drink! Caring visitors in Glendale parks who are caught helping to keep the parks clean, safe and doing other good deeds are now being acknowledged through the “You Got Caught” program.

The program provides park users doing something special in a Glendale park such as cleaning up litter, picking up after animals, providing assistance to someone in need, calling in problems in the park or alerting staff of graffiti or other nuisances a small token of appreciation.

Park staff noticing these individuals at Glendale’s parks will approach the helpful person and give them a “You Got Caught” card. Currently, the card features a free drink courtesy of Sonic Glendale locations.

“Caring park users and those who observe park rules, make Glendale’s parks more pleasant to visit,” said Michelle Yates, the program’s coordinator. “We want people to know we appreciate the extra hands and eyes in our parks and wanted to be able to thank and reward that.”
